

2021-22 St. Louis CYO Basketball Postponed for Another Year

Due to the strict restrictions from the CDC regarding basketball, along with managing a building with a working school, we have decided to wait another year before we offer CYO basketball. St. Louis is not the only parish coming to this difficult decision, so we are hopeful that our families will understand that the decision was not made lightly.

We will also be working hard this year to get our Faith Formation and Sacramental programming up and running in person, after a challenging previous year with COVID restrictions.

Once the final list of parishes who will be participating in CYO is published, we will pass that along to our families, so you can contact those parishes about the possibility of your child playing on one of their teams this year.

Wishing you and your family a wonderful Fall season and a great year returning to school, in person Faith Formation, and CHURCH! God bless you and stay healthy.

-Michelle Andrews-Smith, Director of Faith Formation
