Dear Fr. Mitch,

Thank you for your gift to NPH USA in the amount of \$5,900 for the St. Damien Pediatric Hospital Fund. We are extremely grateful that you chose to support our work.

As the only free standing pediatric hospital in the country, St. Damien plays a vital role in the healthcare of Haiti's most vulnerable children and high risk pregnant mothers.

Because of your support, St. Damien's annual averages include:

- 15,000 consultations in the pediatric clinic
- 2,000 babies delivered
- 9,000 vaccinations administered
- 1,100 oncology consultations
- 6 pediatricians trained and graduated in the Residency program
- 500 local people employed

Thank you once again for your generosity. Your donation allows us to continue to provide lifesaving services to so many deserving children.

THANK YOU
