WE BELIEVE. WE BELONG. WE WORSHIP WITH OUR BODIES.

August 9, 2015

Embodyed Prayer

Last week I invited everyone to reflect on hungers we may bring with us as we come to Mass. Then, reflect and give thanks for the ways the Lord can satisfy each hunger. Today, let’s shift focus. Let’s reflect on how we respond to what the Lord offers. But let’s consider an aspect of being Catholic, of believing and belonging in a sacramental church that we may take for granted, or even overlook.

At the heart, being a sacramental church is our recognition that faith involves every part of us, body, mind and spirit. That being so, God loves us, not just through the Bible, preaching and teaching, but in concrete, physical ways. It isn’t the ‘idea’ of being baptized that baptizes us into Christ’s life, death and resurrection. It is coming to the water, praying, and our body being immersed in water, or having water poured over us. First Eucharist is all about approaching the altar for the first time as someone called to share the Body and Blood of Christ; realizing that it is in the eating of the bread and drinking the wine that we experience a very special communion with the Lord. When we are called home to the Lord, a key part of sacramental grace flows from our loved ones bringing our body to the church, clothing it in a white garment, this time the funeral pall, bringing us to the altar, celebrating Eucharist, incensing the casket, and then processing with it to our resting place.

The very act of bringing an infant to church, making the sign of the cross on his or her forehead, carrying the child to the font – these are physical responses to God’s love in sending this precious child. The church responds with water, with Chrism, with lighted candle; physical, concrete signs of sacramental grace. Our celebration of Mass is filled with physical responses, praying with our bodies, or embodied prayer, from the moment we dip our hand in a font and bless ourselves with Holy Water. Bowing to the altar, signing ourselves with the cross as we begin, standing to greet the Gospel, then signing ourselves again. We pray that the Lord bless our minds and hearts, that we might proclaim the Gospel with our lips, or, that we understand, speak, and take to heart the Gospel – through the gesture we pray with our bodies. Bringing up the gifts of bread and wine - an embodied prayer: Lord, take the little we have, as you took the meager loaves and fish the little boy had, and through your blessing, feed us all with the bread of life. We kneel, praying in reverence, respect and humility. We stand, perhaps even join hands for the Lord’s Prayer. We walk forward to communion, prayer in motion. We sign ourselves with the cross when blessed as Mass ends. Most importantly, we walk out of church in mission, to glorify the Lord with our lives.

Peace be with you, body, mind and spirit! Fr. Bob

### Overcoming Depression

When hearing our first reading this weekend, the backstory is crucial. For years, Elijah had tried to pull King Ahab out of heresy, and the corrupting influence of Queen Jezebel. At the same time, Jezebel was doing her best to wipe out the traditional worship of Yahweh, to replace it with her religion, and worship of Baal. Though he succeeded in calling down fire, it appeared that he may have won the battle, but lost the war. Jezebel was now dead set upon murdering Elijah. Bone weary, depressed, Elijah asks God to take his life. The struggle is too great. The answer to his prayer? God sends an angel, along with food and water to strengthen this great, but worn down man of God.

God still sends angels to provide encouragement, to help point to the hearth cake and jug of water, if you will, though most angels don’t have shining wings and flowing robes. Has an angel ever helped you find your way to strength and nourishment? Does God need you to be an angel for someone else this week? Spend some time with the Lord and talk it over!

### Juicy Rich Food

Quoting Isaiah (25:6) to describe what we can find in our second reading this weekend seems right, given the first reading and the Gospel. “On this mountain, the Lord of hosts will provide for all peoples a feast of rich food and choice wines, juicy, rich food and pure, choice wines.”

Read Ephesians 4:30-5:2 slowly, several times. Chew on it! How do we live in love (vs 5:2)? Check out the preceding verses!

### Grumbling, Murmuring and Mercy

Last week, the whole Israelite community grumbled against Moses and Aaron. God’s response: raining down bread from heaven and quail from the sky, to satisfy their hunger. This week in the Gospel, the Jews murmur against Jesus as he speaks of himself as the bread that came down from heaven. Jesus’s response: to provide scripture to help them understand, and then launch into the deepest teaching: how he is the living bread, which is not food for the day, but food for eternal life. Check out the Scripture Insights in *At Home with the Word*.

### Bringing It On Home!

We still have a number of copies of *At Home With The Word* available at each entrance of the church. Why pick one up? You can check out the readings before you come to Mass, or review them again after. It’s a great tool for lectio divina, or praying the scripture. There are helpful reflections, ways to put the scriptures into practice. It is just an excellent way to get more out of Sunday Mass, particularly the Liturgy of the Word. Do pick up a copy!

### A Place to Pray

It was an inspiration. A workman was on campus needing someone with a master key. After the job was done, he asked about the Mary garden area and fountain. Is it really Holy Water? Can folks just come and pray there? YES and YES! “Great .. that would be a terrific place for me to come and pray the rosary before I start work in the morning.” Yes indeed, it is a great place to pray. For those who like to walk and pray, the campus and all the gardens are open for business!

### Saint of the Day

August 11 (Tuesday) is the memorial of St. Clare (1193-1253). Clare lived in Assisi at the time of St. Francis and was inspired by his preaching to enter the convent. Like Francis, she committed her life to following the Gospel and living a life of poverty. She sealed her commitment with the cutting of her long, beautiful hair, a most prized possession. She served as superior of her companions (including her mother and two sisters), who became known as the Poor Clares. Inspired? Consider simplifying your life by taking action and giving one of your treasured possessions away. Pray for the grace of simplicity, generosity, and true Gospel freedom.

### Parish Library

Tuesday, August 18 at 7PM at the Ministry Center, we’ll be having our first meeting about organizing a parish library. Interested? We’ll see you then!

This Week’s Tithing Will Support A Meal & More

Next Week’s Tithing Will Support St. Peter’s Kitchen

St. Peter’s Kitchen was founded in 1982 by Father Richard Czierwin and has been serving the West Side Community of the City of Rochester, NY for over 33 years. St. Peter’s provides a well balanced and nutritional lunch program Monday- Friday for those who need it. On average, St. Peter’s Kitchen serves over 160 people a day; anyone who walks through the door is welcome to share in a meal. The 150 volunteers at St. Peter’s Kitchen work together donating their time and talent to feed the hungry, which allows St. Peter’s to average over 35,000 meals a year. St. Peter’s Kitchen also helps the community by providing a sit down meal at Thanksgiving and Christmas, an Emergency Antibiotic Drug Program and Annual Christmas Store for the children. St. Peter’s also provides services such as; the use of a phone, a fax machine and a copy machine. This allows the community to make doctor’s appointments, contact Social Security, secure housing, jobs and other daily needs. St. Peter’s is funded by private donations; they are not under the umbrella of a larger organization. 100% of the donations received benefit the community that St. Peter’s Kitchen serves. More information about St. Peter’s Kitchen can be found at http://stpeterskitchen.org. If you are interested in volunteering call (585)235-6511 or email at stpeterskitchen@dor.org

We return to the Lord with gratitude

ELECTRONIC FUND TRANSFER (EFT)

EFT means that your monthly contribution is automatically transferred from your checking or savings account to St. Louis Church.

Benefits of giving through EFT:

- You control the amount and timing of your monthly offering to St. Louis Church, plus related Diocesan/National appeals as well as Holy Days.
- You can spread your contributions evenly over the entire year, and the Church can count on an even flow of contributions.
- You receive an annual statement by e-mail or regular mail. These statements also document Diocesan/National and Holy Day collection amounts. This page serves as a record for those who itemize contributions on their tax returns.

2015-2016 REGISTRATION FOR RELIGIOUS EDUCATION AND SACRAMENT PROGRAMS

The deadline for Faith Formation has passed as of August 1st. The date can only be extended one more week as we need to place orders with our vendors. Please have all registrations in by Monday, August 17th if you wish to have your child/teen enrolled in our programs this year. Please keep in mind that all children/teens need one year prior of Faith Formation to register and prepare for sacramental preparation.

In order to be good stewards of your money, it is helpful to have all registration information in so we can place our orders at once due to the high cost of shipping. I realize that families are away this summer, but please be sure to get your form to me by August 17.

If you have any questions please contact Michelle Andrews-Smith at 586-5675 (Ext. 233) or email mandrews-smith@dor.org.

Registration forms were distributed through your child’s program on their last day of class and are available at the Faith Formation bulletin board in the Narthex hallway and at the Ministry Center.

Please contact Michelle or Father Bob if you have any questions in regards to this meeting. See you there!

Everything In Its Place

Ever notice that before we begin Mass, the bread and wine are in the right place? When the chalices need to get to the altar, it flows so smoothly? After Mass things are neatly put back where they belong? You can thank our wonderful crew of Liturgical Assistants (aka LA’s, or Sacristans)!! Would you like to learn how it happens, and perhaps join this friendly group of liturgical ministers? Just speak to Bea Hack before or after Mass, or give her a call 586-5675 ext. 231.

Behind the Scenes

So many purificators (the linens used to wipe the chalice at Mass) are used at each Mass, don't we ever run out? Not really, thanks to Marie Vasile and those who assist her in laundering the altar linens. She could always use a few more volunteers. Sign you up?? Please phone Marie at 248-0064.

Bringing the Word to Life

Is communication one of your innate gifts? Could it be developed into the gift of proclaiming God's Word at Mass? We can always use a few new voices, and yours may be just the one that could bring God's Word to life, with a bit of training. To sign up, contact Bea Hack at bhack@dor.org or 586-5675, ext. 231.

Ding Dong Merrily On High

Yes! Right in the choir loft! On special occasions, our bell choir breaks out the bells and makes music to the Lord in a most delightful way! We aren't seeking professional bell ringers. WE are looking for folk who like to have fun together making music, and would like to learn a new way to go about it. To sign up contact Bea Hack at bhack@dor.org or 586-5675, ext. 231.

I’m Ready . . . Have you been coming to St. Louis for Mass a number of times, and often feel drawn to return? We would love to have you as a member of the parish! Pick up a yellow registration form at the church entrance, contact the office, or register on line at www.stlouischurch.org and select General Forms at bottom of the page for the New Parishioner Form.
Getting Classrooms Ready for School" Helpers!

As you can imagine, in any classroom, there are dozens of - well, sticky, grimy, oily children's fingers, and in turn, there develops certain grime on chairs, desks, doorways, etc. Plus there's just plain dust that accumulates on every surface - window ledges, bookshelves, etc.

If you like to see instant satisfaction from applying a little soap & water or from vacu-uming those out of the way corners, and if you're willing to "offer up" some time, we have a wonderful opportunity (yes, a job!) for you!

(Of course, we'd love to see school families help in this way, but we offer equal opportunity to individuals without children-- and who might actually have more time on their hands! It's also good activity for teens needing service hours or just something to do.) Contact, Sally Schrecker at sschrecker@dor.org...

Beyond the Common Core

Take your child’s religious education to the next level with St. Louis School. Give them a Catholic education that is dedicated to developing the whole child and goes beyond the Common Core.

At St. Louis, we believe in the importance of a STEM education—one that integrates Science, Technology, Engineering, and Mathematics in virtually everything we teach.

Our STEM-based curriculum engages students with hands-on learning to develop skills needed to analyze and solve real-life issues or challenges. It combines acclaimed STEM practices with other disciplines such as art, music, religion, social studies, and more.

We are developing independent thinkers and well-rounded students who are poised for success in any classroom and beyond. They are ready to shape our world and their futures.

Is your child ready to be engaged and inspired in the classroom? Call us at 586-5200 to learn more or to schedule a visit.

**The Historic Gate Houses at Holy Sepulchre**

In the shadows of downtown, important milestones are represented at Holy Sepulchre Cemetery. No matter where you turn, this history of the people that made our city surrounds you. It is an everlasting example of the ‘garden’ cemetery that was envisioned by Rochester’s first Bishop, Bernard McQuaid in 1871 when the cemetery was founded.

Holy Sepulchre has restored the historic gate houses that greet visitors to the east side of the cemetery. Originally built as waiting areas for the Rochester trolley line, these gate houses are now available for various uses that are beneficial to our community.

The gate houses may be reserved for receptions following funerals, parish meetings or retreats, non-profit meetings and gatherings, and other community events. They can accommodate 25 in each building, and these picturesque buildings are heated and air-conditioned for visitor comfort, and can be reserved individually or together. They are also equipped with state of the art technology including wireless internet. For information, call 585-458-4110, or go to www.holysepulchre.org

**Even in Death**

Including St. Louis Church, School or Saint’s Place in your will is a wonderful way to support ministries that we value even after God calls us home. Another way to extend the blessing: let your family know that, in lieu of flowers, contributions can be offered to St. Louis Church, School or Saint’s Place. Upon the death of a loved one, think prayerfully – where would my dear one want contributions to be made in his or her memory? A beautiful way to let folks know what we believe is truly important!

**A Lasting Memory**

Our Gospels for the next few weeks will lead us deeper and deeper into the mystery of the Eucharist, the bread of life and the cup of salvation. This Fall we hope to replace our breakable communion ware with ciboria and chalices befitting the preciousness of the gifts they hold, the Body and Blood of Christ (and in keeping with the General Instruction on the Roman Missal). If you would like to contribute a communion cup or ciboria in memory of a loved one, please contact Bea Hack, bhack@dor.org or Birdie Proctor, bproctor@dor.org.
Men: Great Retreat Opportunities!
Retreats take a variety of forms, and there are two coming up this Fall for men. On October 16, men of our parish are invited to a weekend retreat at Notre Dame Retreat House on Canandaigua Lake. For more information, feel free to contact Rick Whelehan at wheels282@rochester.rr.com. A men's Cursillo is also coming up, Men's 90, November 12-15. Just what is a Cursillo weekend? Fr. Bob or Msgr. Krieg would be glad to explain.

Forward in Faith!
That is what Ultreya means, and participating in Ultreya helps us do it! We share a pot luck supper, break into small groups to share, as we are comfortable, how we are doing living our faith. Then someone gives a brief witness about how they have been experiencing God's help or presence in their journey. We move to the tabernacle area, pray, sing a closing song (just like St. Paul suggests in next week's second reading) and then we call it a night, fed and refreshed. Join us this coming Saturday, after the 4:30pm Mass. Bring a dish to pass if you can, and definitely bring your hunger for encouragement, hope, and spiritual nourishment! All are welcome!!

"Today...an awareness of the dignity of each of our brothers and sisters whose life is sacred and inviolable from conception to natural death must lead us to share with complete freedom the goods which God’s providence has placed in our hands...and to give back generously and lavishly whatever we may have earlier unjustly refused to others."

Pope Francis, 5/9/14
