On Fire!

Team USA is having a fantastic game. “They are really on fire!” or, Your favorite band is performing. It is electrifying.** “They are really on fire!” or, You are in the middle of a conversation about refugees, and a volunteer from Saint’s Place lights up, passionately relating what a refugee family has been through, and the impact our Saint’s Place ministry is having on helping them settle into a new home. “She was really on fire!”

When Jesus tells his disciples (including you and me) in the Gospel: “I have come to set the earth on fire, and how I wish it were already blazing!” he is pointing the way to passion. Not necessarily THE passion, but living the faith with passion. Loving God and our neighbor with passion. Actually fire is a multivalent symbol (a symbol with various different, rich meanings). It evokes the idea of judgment, of purification, but also, certainly, of passion.

Just as a spark often ignites a fire, a passion is often ‘caught’, not ‘taught’. We can discuss the dynamics of having a relationship with Christ, but nothing really replaces talking to someone who already has one! There are various places and relationships in daily life where we can experience Christ, but encountering someone who has had the experience and made the connection that Christ is in the encounter helps illuminate our own experience.

Saturday our Pastoral Council met to process some parish goals, to focus on the coming year. We have already discussed a process called Christ Life, which is well in the planning stage. You will hear more this Fall. It is a process for helping anyone either encounter Christ for the first time, or to take the relationship that already exists, and deepen it. Please pray that our planning and preparing will bear much fruit (or better, will help set folks on fire with love of God and neighbor, and eagerness to share Christ with others!)

Some ideas are percolating at Saint’s Place as well. Volunteers often have powerful experiences of Christ in their encounters with refugee families. (When I was a stranger you welcomed me) What if we provided families in the parish an opportunity to connect with a refugee family as co-sponsors; Saint’s Place providing for material needs, the sponsor family providing friendship, a warm welcome, a caring ‘neighbor’? This could light a fire!

The changes in Seasons of Faith should also make it much more possible to have encounters with Christ a focal point in faith formation. The additional time will make this so much more possible. We hope to provide some opportunities for parents as well as children, so that parents can have opportunities to share and grow in faith.

It promises to be an exciting year ahead. Stay tuned! May God bless you and your household with the fire of love! Peace, Fr. Bob

Sunday Communion Service - August 21

The Welfare of the People

In our 1st reading this weekend, why did the princes want to do away with Jeremiah? Mainly because he contradict-ed the false, rosy picture they were painting for the inhab-itants of Jerusalem. His prophecies also would have raised questions for many in the army. The princes accused Jeremiah of demoralizing the people, but he actually had the people’s welfare in mind. He could see that Babylonia was much stronger than Judah, and that prolonging a los-ing battle would bring disaster. Jerusalem was surrounded. People starving … the message of the Lord, through Jeremiah, was to surrender and live. God was not calling for the entire populace to ‘die with honor’. More importantly, the Lord gave Jeremiah various ways to communicate that terms should be sought with this power-ful enemy, lest destruction ensue. Filled with pride and arrogance, however, the princes couldn’t bear the truth. Their hubris and denial led to a bloody tragedy of first order when the city fell.

Tell those in power what they want to hear, or speak the truth? Jeremiah chose to speak the truth, even if unwelcomed. Jesus predicts divisions in our Gospel today. There are always people willing to hear the truth, and others who resist it at any cost. Our passage from Jeremi-ah is a very relevant reading, once you dig a little deeper!

Weaving the Stories Together

This week our 2nd reading provides a perfect bridge between Old Testament and the New. Our First Testament reading speaks/recounts an episode in the life of one prophet who endured opposition from sinners. The Gospel foreshadows how Jesus likewise will experience opposition from those who will stop at nothing, even murder. At the same time, the Gospel prepares disciples, then and now, for times when we may experience division and opposition.

The letter to the Hebrews doesn’t recount the opposition Jesus endured to demoralize us. Rather, it encourages us to focus on ‘the great cloud of witnesses’ who have been courageous to the end. Be prepared for struggles, but keep your eyes on those who ran the race to victory with Christ.

Don’t grow weary or lose heart! Who would be included in the cloud of witnesses that you know? Invite them to offer a prayer of intercession when you are struggling!

Peace, But Not At Any Cost

If one of Jesus’ titles is ‘Prince of Peace’, what does he mean when he says that he didn’t come to establish peace? In essence, like any good leader, he is preparing his disci-ples for what will happen. Divisions will occur. They did. They do. The peace Jesus establishes flows out of a love that includes sacrifice, leading to transformation and reconcili-ation. For some, any talk of sacrifice is anathema. For them it is just weakness. They will have none of it! The mystery that St. Paul discovered, and shared with the church in Corinth in II Corinthians 12:10 (For when I am weak, then I am strong) is just unacceptable to some folks. Yet the paschal mystery, the greatest sacrifice, is central to our faith.

Which truths of our faith, truth spoken or lived by Jesus, do you find hardest to accept? Can reflecting on things that challenge you give you more patience and understanding for those who have trouble with parts of our faith?

**Next Week’s Tithing Will Support Sister Regis Food Cupboard**

The Sister Regis Food Cupboard was named for Sister Regis Straughn who started the food cupboard in 1965 at Our Lady of Mount Carmel on Woodward Street in Rochester. Several years ago the pantry, serving the Northeast neighborhood of Rochester for over 55 years, moved to its current location on Bay Street in the same building as Matthew’s Closet. Our own Fr. Ray Booth was a good friend of Sister Regis; both served at Our Lady of Mount Carmel parish for many years. In March of 2011, a fire devastated the food pantry but they came back stronger than ever with the help of many people and organizations in the community.

- The pantry serves approximately 963 households in a month. Many who come are receiving public assistance for the first time. Eligible clients can visit the Food Cupboard once a month on a walk-in-basis. Prospective clients must bring criteria such as identification cards for each family member, financial income information, etc., for proof of eligibility. The cupboard is open Monday & Tuesday from 12-3 pm and Thursday from 12-2 pm.

- Mercy Sister Julia Norton is the director of the Sister Regis Food Cupboard, and she very much appreciates our help to meet the needs of those experiencing tough times in Rochester. Thank you for your continued generosity and prayers for the clients and volunteers of the food cupboard.

To learn more of many volunteer opportunities such as stocking the shelves, taking care of the clients, cleaning and doing the necessary business and secretarial work, contact Sr. Julia at (585) 454-6766. If you would like to assist with delivering the food collected at St. Louis for the Sr. Regis Food Cupboard, please contact Christine Wensel, Pastoral Associate, at the Ministry Center: (585) 586-5675, ext. 224 or cwensel@dor.org.

"Getting Classrooms Ready for School" Helpers!

As you can imagine, in any classroom, there are dozens of - well, sticky, grimy, oily children's fingers, and in turn, there develops certain grime on chairs, desks, doorways, etc. Plus there's just plain dust that accumulates on every surface – window ledges, bookshelves, etc.

If you like to see instant satisfaction from applying a little soap & water or from vacuuming those out of the way corners, and if you're willing to "offer up" some time, we have a wonderful opportunity (yes, a job!) for you!

Of course, we'd love to see school families help in this way, but we offer equal opportunity to individuals without children – and who might actually have more time on their hands! It's also good activity for teens needing service hours or just something to do. Contact, Sally Schrecker at sschrecker@dor.org.
Latin Mass on the Feast of St. Louis

What a joy, to celebrate the feast day of our patron saint! Besides our regular daily Masses, Fr. Peter will commemorate the occasion with a Mass in the Extraordinary Form of the Roman Rite on the feast day of St. Louis, Thursday August 25th, at 6pm.

The Mass will highlight the saint's musical legacy with liturgical music from the Sainte-Chapelle, the church he built to house the relics of Christ's Passion. From its foundation in the thirteenth century until its destruction during the French Revolution, the Sainte-Chapelle employed a superb ensemble of musicians and world-famous composers. For the Mass on August 25th, a guest schola will sing the "Missa Dulcis amica Dei" by Pierre Certon, the master of the choristers at the Sainte-Chapelle from 1536 to 1572. This music has been newly edited from its sixteenth-century sources for this liturgy, which may be the first time that it will have been sung since its publication in the 1540s. What a wonderful way to enter into prayer, honor our patron saint, and glorify God!

Church Bulletin Advertising

We want to extend a big “thank you” to all our current advertisers who have decided to renew their ads this year. We also encourage new advertisers to come aboard. If you would like to get your business, service or favorite charity added to the business directory page, now is the time. Call Kelly, her number is in the “Your Ad Here” ad on the back of the bulletin.

Remember, our advertisers’ support makes it possible for our bulletins to be printed weekly at little or no cost to the parish. The bulletins are our primary means of communication and vital to our organization.

It would be nice if all of us would consider reciprocating the generosity of our advertisers by supporting them when we are in need of products and services.

Again, thank you!
