Getting to Know Don Smith...

Hello! I cannot express my excitement to be here at St. Louis. I told a friend I was applying for the youth ministry position and her reaction was along the line of, “St. Louis? That was THE place for youth ministry when I was a teen! You’re so lucky.” After only a week here, I already know I am.

You may want to know a little bit about me. I grew up in a small town just over half way to Syracuse: Montezuma, NY. I like to tell people we had a post office, fire house and a stop light … that blinked. No gas station or grocery store or school or much else. Montezuma is the kind of town where everyone knows everyone else.

I went to St. Bonaventure University and graduated in 2002 with a BA in Theology – Go Bona’s! While I was there, I had the opportunity to visit Assisi, Italy on pilgrimage. That is where everything changed. On the last night, Sr. Margaret Carney (the retiring president of St. Bonaventure and our pilgrimage leader) pulled me aside and told me that I needed to be a priest. My German side showed through and I told her that I had other plans, and she said that was fine, but given my faith and love for it, I had to be a leader in the Church. That moment is what lead me to change my major and begin pursuing a vocation in ministry.

After graduation, I began in parish ministry and have loved it for fourteen years. I started at two parishes at the same time, as a part-time Faith Formation Coordinator at St. Thomas More and as part-time Youth Ministry Coordinator at Our Lady of Lourdes, both in Brighton. After that I was at Transfiguration for eight years working with K-5. Each parish holds a place in my heart and I can tell from the warm welcome at St. Louis that God hasn’t stopped making new homes for me.

Aside from parish ministry, I have been on the Diocesan Youth Committee since 2006. Part of that has been working on the Foundations youth leadership institute over February break at Camp Stella Maris. I’ve also helped as a Guardian Angel on four NCYC pilgrimages for our Diocese. I also have helped with the Senior High Youth Retreat for the Diocese, both as staff and as coordinator.

One day into working here, I was given reflections on this summer’s Steubenville Conference written by two of our youth. It only made me more excited to work with the youth of St. Louis! Check it out on page 5 of this week’s bulletin … you’ll be inspired.

The Last Plague
Remember how stubborn Pharaoh was? One plague after another, he just wouldn’t listen to Moses, would not release the Hebrew slaves for a moment from their oppressive servitude. Our first reading this weekend, foreshadowing the note of watchful vigilance sounded in the Gospel, reflects on the evening of the last plague. Courageously, on high alert, the people celebrated the first Passover in their homes as commanded, praying that through the blood of the Passover lambs they would be spared and their enemies punished. At the very time they were sacrificing the lambs, the Lord did execute judgement on Egypt, striking down all of the first born. Powerful themes: sacrifice, judgement, mercy, protection by the blood of the lamb.

Into the Unknown
What could a passage about Abraham and his life story have to do with us today? It plunges us into reflecting and praying about faith. Sensing God calling him to a new home, a new life, a new future, Abraham “…went out, not knowing where he was to go.” Put that side by side with these words to parents at a baptism: You have come here to present this child for baptism. By water and the Holy Spirit he (she) is to receive the gift of new life from God, who is love. On your part, you must make it your constant care to bring him (her) up in the practice of the faith…. If your faith makes you ready to accept this responsibility, renew now the vows of your own baptism…. Faith, a trusting journey into the unknown, knowing that we are not alone. True for Mom & Dad, true for the child being baptized, true for every one of us!

Be Prepared
Our Gospel passages for weeks have provided wisdom about discipleship. Building on last weekend’s Gospel, today’s begins with instruction about the proper relationship to material goods. When our belongings provide a way for us to give alms, they can lead us to inexhaustible treasure in heaven. Reminding us that ‘Where your treasure is, there also will your heart be.’ Jesus provides two parables. The first extols being vigilant, always ready for the Lord to show up. The second reminds us that we have been given a responsibility, to distribute the food allowance at the proper time. Hmm … what might that mean for us? Could bringing in food for the food cupboard be distributing the food at the proper time? The concluding line of this Gospel could be overwhelming: “Much will be required of the person entrusted with much,…..” Left to our own devices, we would all be in trouble! But as a community we encourage one another, the Holy Spirit, nudes us, the Lord shows us the way, walks ahead of us leading us, and helps us back up when we stumble.

Searching for Treasure
It is a great theme in literature. It is something kids can relate to, for that matter, it can spark the interest of people of any age. We’ve heard Jesus teaching about treasure for two weeks now. So bring it home! Have a conversation with your children (even your adult children). What treasures have you discovered in life that you truly value the most? Ask them to give the same question serious thought. Have you (have they) found any treasures in the Bible? What about treasures unearthed in day to day life experience? So what about spiritual treasures?

Here is another possible way to bring the question home. Think about a person or persons you most respect. What do you think they treasure the most? Finally, have the all-important conversation. Spend some time in prayer. Ask Jesus: What treasures have I overlooked? Am I on the right path to laying up treasures in heaven?
Thank You!
For those visiting St. Louis, thank you for supporting our parish with a Sunday offering. Most appreciated! Your contribution is one of the things that keeps the doors open and the air-conditioning running (hopefully not at the same time 😊).

We Live It Too
Peter asked a great question in the Gospel: “Is this parable meant for us or for everyone?” As a parish, we try to be prepared, and to acknowledge how greatly we have been blessed by tithing. Each week we tithe from the Sunday offering, sharing with a wide range of God’s people: this week, with those in need of clothing who come to Matthew’s Closet, next week, with the hungry who come for a meal at St. Peter’s Kitchen. Other tithes support refugees seeking a home, assisted by Saint’s Place; Water for South Sudan; our Emergency Fund, for those needing emergency assistance; tithes to area hospices.

Notice corporal works of mercy emerging? We do them as individuals and as a parish family.

St. Peter’s Kitchen was founded in 1982 by Father Richard Czierwin and has been serving the West Side Community of the City of Rochester, NY for over 33 years. St. Peter’s provides a well balanced and nutrition-al lunch program Monday- Friday for those who need it. On average, St. Peter’s Kitchen serves over 160 people a day; anyone who walks through the door is welcome to share in a meal. The 150 volunteers at St. Peter’s Kitchen work together donating their time and talent to feed the hungry, which allows St. Peter’s to average over 35,000 meals a year. St. Peter’s Kitchen also helps the community by providing a sit down meal at Thanksgiving and Christmas, an Emergency Antibiotic Drug Program and Annual Christmas Store for the children.

St. Peter’s also provides services such as; the use of a phone, a fax machine and a copy machine. This allows the community to make doctor’s appointments, contact Social Security, secure housing, jobs and other daily needs. St. Peter’s is funded by private donations; they are not under the umbrella of a larger organization. 100% of the donations received benefit the community that St. Peter’s Kitchen serves. More information about St. Peter’s Kitchen can be found at http://stpeterskitchen.org. If you are interested in volunteering call (585)235-6511 or email at info@stpeterskitchen.org.

We are in need of adults to serve as volunteer money counters on teams that count, record, and prepare reports for weekend and other collections. The time commitment is Monday mornings for 2 or 3 hours, every other week. If interested, please contact Laurie Martin at lmartin@dor.org or 585-586-5675, ext. 222.
An Encounter with God who thirsts for us....

“A few weeks ago Kylie and I went to Franciscan University in Steubenville, Ohio and participated in the LEAD program. LEAD stands for Leadership, Evangelization, And Discipleship. I had the most amazing experience there learning how to be a leader by growing in my faith. Throughout the week we got to know amazing people; we were with them 24 hours of the day and they became our family. They helped me grow in my faith and in my friendship with Jesus. What I realized was that it didn’t matter about any of the people around me if I wasn’t growing in my relationship with God. I realized that I couldn’t help others grow in their faith until I really understood my relationship with God first. Through all the talks that were given and going to Mass every day, I realized how much my faith meant to me and how much I wanted to share the word of God with others. Grace”

“Attending the Steubenville conferences where 2500 plus teens are packed into a field house and opening their hearts to God and some of them experiencing God for the first time has been life changing for both of the years I have attended. This year was even more special. I had the privilege to attend LEAD or Leadership Evangelization And Discipleship which is held at the campus the week leading into the weekend of Steubenville. At LEAD there are only 47 or so kids so you get to know each person individually and learn about how God has worked in their lives and at their lowest moments. But the purpose of LEAD is not to make friends (although that does make everything more fun and leaving much more difficult). The purpose of LEAD is for you to get to know God and then realize a life with him is more incredible then you would have ever thought and that you want to make him the focus of your life. Kylie”

Dear Parishioners:

With our current heat wave and soaring warm temperatures, the thought of snow may be a welcomed relief. As we return from summer vacations, the refugees are arriving in record numbers. We need winter wear and back to school supplies, specifically:
- Men’s Coats sizes Small and Medium; Boy’s Coats sizes 12, 14, 16;

"Getting Classrooms Ready for School" Helpers!

As you can imagine, in any classroom, there are dozens of well, sticky, grimy, oily children's fingers, and in turn, there develops certain grime on chairs, desks, doorways, etc. Plus there's just plain dust that accumulates on every surface – window ledges, bookshelves, etc.

If you like to see instant satisfaction from applying a little soap & water or from vacuuming those out of the way corners, and if you're willing to "offer up" some time, we have a wonderful opportunity (yes, a job!) for you!

Of course, we'd love to see school families help in this way, but we offer equal opportunity to individuals without children – and who might actually have more time on their hands! It's also good activity for teens needing service hours or just something to do. Contact, Sally Schrecker at sschrecker@dor.org.

THANK YOU SO MUCH

for the opportunity to speak to you all last weekend! I was touched by many warm welcomes and good wishes for my mission of inviting college students into a deep relationship with Jesus Christ. Your trust humbled me when you told me so many stories about family members and loved ones falling away from the Faith and your wishes that there were FOCUS missionaries on their or even your own college campuses. Thank you so much for your prayers and support! Empowered by the Holy Spirit, we can make radical differences in so many lives and change the culture for Christ one soul at a time!

Our Habitat House at 320 Orange St. is shaping up quickly. A two story, three bedroom house, it has an interesting, attractive design which includes a small wrap-around porch. Situated on a nice tree-lined street, it is conveniently just down the block from Enrico Fermi Middle School #17.

On Saturday July 16, we conducted a celebratory "Wall Raising" for the last of the four first floor walls. It was a wonderful ceremony to mark progress-to-date and the work ahead.

Construction is well underway. The first floor framing is complete, second floor joists and floor boards have been laid, and second floor wall framing is underway. I'm glad to say the strong volunteer response has been exceptional from St. Louis! Seventeen St. Louis parishioners, male and female, ranging from 17 year old McQuaid students to an 80 year old senior, have participated in the construction alongside volunteers from HIP's other member churches, and the very grateful future home owner, Kereny Morales.

*Call for Construction Help*

The construction calendar for our 320 Orange Street home identifies the following work dates available for construction volunteers. (We still need 6 volunteers for most of these dates):
August 3, 6, 9, 10, 12, 23, 25, 26 & 30; and September 1, 2, 7, 8 & 10.

If you have not yet had an opportunity to work at the site, please consider signing up for one (or more) of these dates. As you can see, we have a challenging number of work spots left to fill. It is really important that we continue to have sufficient construction volunteers while the weather is good so we can make the most progress.

Call Bob Scholl (472-5067) or Rick Cusker (321-3673) if you have any questions regarding registration or signing up for specific work days. (http://www.stlouischurch.org/habitat-humanity-call-construction-help) If you can afford the time, this is a wonderful and rewarding opportunity to work alongside a family in need together with individuals from our parish and other faith groups, as part of an interfaith initiative to improve our center city.

Many thanks to all who have already given of their time and effort. Many of our volunteers have said they greatly enjoyed their time at the construction site.

~ Bob Scholl, St. Louis Habitat Coordinator
Join Us, and the Lord
You have heard of Eucharistic Adoration, but aren’t quite sure what it means? To adore means to love, cherish, venerate. In Eucharistic Adoration, one spends time in a spirit of prayerful presence before the Blessed Sacrament, in devotion to and worship of Jesus Christ. It is hard to find better words than those of Pope Paul VI:

Therefore, the devotion prompting the faithful to visit the blessed sacrament draws them into an ever deeper share in the paschal mystery and leads them to respond gratefully to the gift of him who through his humanity constantly pours divine life into the members of his Body. Abiding with Christ the Lord, they enjoy his intimate friendship and pour out their hearts before him for themselves and for those dear to them and they pray for the peace and salvation of the world. Offering their entire lives with Christ to the Father in the Holy Spirit, they derive from this sublime colloquy an increase of faith, hope, and charity. Thus they foster those right dispositions that enable them with due devotion to celebrate the memorial of the Lord and receive frequently the bread given us by the Father. Eucharisticum Mysterium

THE WORK OF OUR HANDS (WOOH) A SPIRITUAL KNITTING & CROCHETING GROUP, A JOINT MINISTRY OF THE CHURCH OF THE TRANSFIGURATION AND ST. LOUIS

WOOH is a small community of caring, laid back folks who gather to create beautiful items with knitting needles, crochet hooks and yarn which are then gifted to those in need. In 2015, we donated over 2700 warm hats, scarves, shawls, blankets, baby items and more for organizations which nurture the poor of our county. This includes projects like the Christmas basket program at Transfiguration, and agencies such as Saint's Place, Mary’s Place, Matthew’s Closet, Open Door Mission and many more. We even joined a national on line challenge last November. By simply posting photos of our many donations on Instagram, we garnered over $180 for the UN refugee services in Europe. All this accomplished while sharing prayers, love and laughter.

How can you help? Join us: once, twice or three times a month, your choice; no experience necessary! We teach, provide needles, hooks, patterns and yarn. Can’t come on Thursdays? Bring us your gifts created at home and we will find a special home for them. Find yourself drowning in a stash of yarn you no longer want? Have you found or been given a pile of yarn from someone’s attic/craft room or from a garage sale? We will gratefully take donations of many types of yarn and turn them into beautiful items. Have an unfinished project staring at you sadly? Send it along and we will try and adopt it. We even accept cash to increase our “stash”; we are not proud!

Our monthly schedule is as follows:
- The 2nd and 4th Thursdays from 1:00 - 3:00 PM
- The 3rd Thursday from 6:00 - 8:00 PM

We meet in the Education Building at the Church of the Transfiguration (upper floor).

Many of us gather for the Rosary at 6:45 pm. A business meeting follows at 7:00 PM. Our agenda includes the Diocesan Men's Conference on October 1st at St Jude's Church, our volunteering for the Corn Sales, and future meeting dates and times.

New Programs will be introduced by our Program Director Greg Lane and some new members of committees will be announced. We will also welcome our newest members to our Council who took the 1st and 2nd Degrees at Webster Council on August 11th.

Church Bulletin Advertising

I want to extend a big “thank you” to all our current advertisers who have decided to renew their ads this year. I also want to encourage new advertisers to come aboard. If you would like to get your business, service or favorite charity added to the business directory page, now is the time. Call Kelly, her number is in the “Your Ad Here” ad on the back of the bulletin.

Remember, our advertisers support makes it possible for our bulletins to be printed weekly at little or no cost to the parish. The bulletins are our primary means of communication and vital to our organization.

It would be nice if all of us would consider reciprocating the generosity of our advertisers by supporting them when we are in need of products and services.

Again, thank you!
