**Eileen O’Neill**
Dear Friends,

Msgr. Krieg, Fr. Peter, all of our staff, and I wish you a very joyous and blessed Christmas, and a happy, holy and healthy New Year! Thank you for adding, by your presence, to our celebration of God’s most precious gift to us, the gift of our Savior, Jesus Christ! Truly it is a deep joy to be able to celebrate these days with you! When Pope Francis wrote his exhortation on The Joy of the Gospel, he powerfully captured the joy of Christmas, a joy that can fill our life throughout the year: “The Joy of the Gospel fills the hearts and lives of all who encounter Jesus. Those who accept his offer of salvation are set free from sin, sorrow, inner emptiness and loneliness. With Christ, joy is born constantly anew.” The Pope went on to acknowledge the many challenges that we might be facing, but reminded us that, when all is said and done, knowing we are infinitely loved and never alone changes everything. That doesn’t diminish our pains, sorrows and struggles, rather it helps us find meaning through the challenges.

Gospel joy, joy in God’s love for us … I have experienced it ever since my arrival at St. Louis. For those who have been parishioners for years, you know very well what joy living in God’s love in this community can be. For those who have been drawn to join us because of what you experience here: soak in the spiritual nourishment God wills for you! I see the deep, abiding sense of joy that comes from the Lord, the goodness, the beauty, the self-giving love of God, a love too clearly imitated in so many who have made St. Louis their spiritual home. It is so abundant that it spills out to all who visit our weekend celebrations, inviting, drawing folks to believe in what is possible when we say yes to God’s offer of a relationship through his Son Jesus, when we choose to belong to a family of faith. Baptisms, the Eucharist, the freedom and joy found in reconciliation; growing in faith through our various faith formation and sacramental programs, Bible studies, adult opportunities and more; serving together at Saint’s Place, or Habitat, or RAIHN, or the Food Cupboard, or the Haiti Initiative; the learning community of our parish school and the joy of our children as they learn and love and grow; youth ministry and pastoral care; ChristLife, the various organizations for those of different ages that promote community; the many ministries offered and gratefully received: the joy of the Gospel infuses all of these.

The Pope’s invitation is so real and down to earth, let me make it my own: “I invite all Christians, everywhere, at this very moment, to a renewed personal encounter with Jesus Christ, or at least an openness to letting him encounter them; I ask all of you to do this unfailingly each day.... The Lord does not disappoint those who take this risk; whenever we take a step toward Jesus, we realize he is already there, waiting for us with open arms.... With a tenderness which never disappoints, but is always capable of restoring our joy, he makes it possible for us to lift up our heads and start anew.”

I hope and pray that you hear the invitation to take a step closer to the Lord, no matter how close or far you may be. Discovering Christ, the first experience in the ChristLife series is a fantastic way to take a giant step forward. Exploring the many possibilities for learning, inspiration and motivation in the FORMED suite of options is another. I promise you that here at St. Louis we will do our very best to honor whatever step forward you are prepared and able to make. We will walk with you, and will be overjoyed that you have chosen this as the place you will believe and belong. Again, God bless you and those you love this Christmas, and all through the New Year! Fr. Bob
Thank You, Lord!

Nativity Preparatory Academy

Nativity Preparatory Academy is a Catholic middle school dedicated to transforming the lives of underserved students through strong academics coupled with a sense of spirituality, morality, and personal responsibility. They deliver a uniquely effective education through an extended school day and school year, dedicated and caring teachers, personal mentoring, and continuing support—all within a secure and nurturing environment that encourages personal development. Nativity Preparatory Academy opened its doors in September 2009, after the McQuaid Jesuit High School Board of Directors and the leadership of Sisters of St. Joseph recognized the need for a quality school specifically designed for inner-city students in Rochester.

Students come from a variety of diverse backgrounds, with more than 20 nationalities and multiple faith traditions represented. They come from economically disadvantaged families who truly care about education. The intensive program, geared to accelerate students’ academic progress, also helps to promote their social development, physical well-being, and understanding of themselves.

The typical day runs from 7:30 a.m. to 6 p.m. and includes academic classes, afternoon sports, fine arts activities, study hall sessions with individual tutoring, and three meals. Students also attend Saturday sessions for enrichment activities and field trips, as well as a three-week summer program that combines academics with leadership exercises and camp activities. 90% of Nativity school students graduate from high school. More than 50 are enrolled in Catholic High Schools or other college preparatory high schools. Learn more about Nativity Preparatory at http://nativityrochester.org/.

An Exchange of Gifts

We are deeply grateful for every contribution to our parish, no matter how large or small. The gratitude your contributions express, in proportion to your blessings, is a good and holy thing. Thank you to all who have completed a pledge card. Thank you to everyone who has made a generous pledge to the Catholic Ministries Appeal as well. Your generosity is an inspiration to others.

Many people choose to make year-end gifts and donations. If you do, in addition to a contribution to the parish, please seriously consider a generous gift to the Catholic Ministries Appeal if you have not yet made a pledge. Remember, the CMA is our fair share of the ministries funded by the diocese. Any shortfall comes out of our parish budget, so especially if you have not participated in the past, consider doing so this year.

Here are two important things to keep in mind:
- If your intention is to make a stock donation, please contact Birdie Proctor at the Ministry Center, 586-5675, for further details.
- Per IRS regulations, any contributions for 2016 will need to be received by December 31, 2016.

Gifted as we are, return a gift to the Lord.

“I Was Hungry And You Gave Me Food”

Many thanks to all who brought in food last weekend, to help keep the St. Andrew’s Food Cupboard stocked. If you miss the third weekend collection, food may be left anytime for Pittsford Food Cupboard. There is a drop off drawer in the entry way near the grand piano at the front of church. There is also a bin in the Narthex near the handicap door. Contributions of non-perishable food can always be donated.
**MINISTRIES AT OUR PARISH**

**Welcome to Our Parish Family and Visitors from Our Faith Formation Team.**
Are you looking for a New Year’s resolution? UGH...not our favorite thing but we have a great idea and it’s NOT in a gym! The new year is a time for us to remember all the blessings God has bestowed upon us as well as an inventory of the places in our lives that need a nudge. Are you interested in reconnecting your children or teens more deeply into a relationship with Christ? This is a beautiful time of year for a “rebirth” into our faith as we celebrate the birth of our savior. We’d like to help! Here are some opportunities of formation, encounters with Christ, for your children and teens:

**Seasons of Faith – Sunday Mornings 10:00am – 11:00am**
**Living Faith – Tuesday Afternoons 4:30pm - 5:30pm**
Classroom based program using *Finding God* as a resource to connect our youngest ones in a deeper way through Sacrament, Scripture, Saints, Liturgical rituals and much more. Our dedicated team of Catechists bring our children to witness God’s love in their own lives as they break open the multiple ways to BE and SEE Jesus each day in our world.

**Family Faith - Schedule Set by Family Groups**
Busyness is the new “it” thing, so no worries, we have the perfect solution. This family based program brings 4 to 5 families together in an intergenerational setting using *Finding God* resources which is lead by a different host family monthly. Each family group meets for 30 hours of catechesis [education] yearly, experience service opportunities and prayer. This is an experiential form of faith formation for the WHOLE family!

**Middle and High School Youth Ministry - Sunday Nights – 6:15pm – 8:00pm**
A comprehensive Youth Ministry program that includes Teens & Youth in grades 6-12, who are invited to join us for Youth Group. Teens will experience faith formation, service opportunities, retreat encounters, prayer and social experiences. Each year our teens gather for a Steubenville experience of deep emersion of faith to connect them more solidly with our God. Every other year we set out on a pilgrimage to NCYC (National Catholic Youth Convention in Indianapolis) with 20,000+ teens from around the country in uplifting prayer, mass, adoration and worship music.

**Sacramental Preparation – First Penance, First Eucharist and Confirmation**
*First Penance and First Eucharist* are prepared for and received for all children beginning at 7 years old or 2nd grade. First Penance begins in January and First Eucharist begins in March.
*Confirmation preparation* begins in 8th grade and continues throughout 9th grade with the reception of the sacrament in late Spring of 9th grade.

**Children’s Liturgy of the Word - Sundays at 11:15 am during the first half of Mass**
For our littlest among us to 2nd grade, we open up God’s Word in a way that is more easily understood and fun too. They reflect on the readings, pray together and share a short activity together to reinforce the Sunday scriptures.

**Middle School Youth Group**
December 25, NO GROUP – Merry Christmas

Thank You to all the very generous parishioners who have purchased Angel Tree gifts for the newly arriving refugees. You allow Saint’s Place to share the Christmas spirit with our families throughout the year. During the Christmas season, please keep our families in your prayers, those whose lives you’ve changed and whose hearts you have touched. They are truly grateful for your help in starting a new life in Rochester.

Merry Christmas from the staff and volunteers at Saint’s Place!

Welcome Juan!
This Spring we will be blessed to have a transitional deacon join us, Deacon Juan Benitez. Please be prepared to welcome Juan warmly!

For those of you curious about the matrix of black and white blocks shown on the cover of the bulletin, it is a QR code. The QR code (abbreviated from Quick Response Code) is a type of matrix barcode (or two-dimensional barcode). The QR code is read by a smartphone app and is linked to the Parish Support page on our website stlouischurch.org. That page describes the various ways of financially supporting our parish. One of the newer options is a link to a web page which will accept an online offering using a credit card. This will allow someone who attends Mass to make an offering online by scanning the QR code from the bulletin, selecting online offering, and entering credit card information for the offering. This is being offered as a convenience. Free smartphone apps for this use are available for all types of smartphones.

**LIFE’S GREATEST LESSON CHRISTMAS BOOK GIVE AWAY**

With great joy, four anonymous parishioners have donated the books we will be giving away this Christmas. This is the third year we are partnering with the Dynamic Catholic Book Program to bring these books to our parish. Many parishioners have told us that these books are changing their lives. Listen to what one donor says about this year’s book, *Life’s Greatest Lesson*, by Allen Hunt. “A short, simple read with a great message. At one level, it is a good story about a boy and his relationship with his grandparents. On a different level, to quote the book, it discusses ‘what I’ve learned from the happiest people I know’. The book then lays out an easy to follow plan for achieving that same type of happiness. A plan that my spouse and I have taken to heart and are working on right now.” This year’s title was chosen by the donors because of the impact this story has had on their outlook on giving to others and happiness. We hope it will be as life-changing for you as it has been for them.

**Lent 2017**

**Tri-Parish Retreat**

Mark your calendar now for the annual tri-parish retreat (St. Louis, Transfiguration, St. Catherine), March 13, 14 & 15. Our presenter, Jack Jezreel, is a dynamic speaker who founded JustFaith Ministries. JustFaith Ministries was birthed in the effort to invite and prepare people of faith for the life-changing and world-changing call of the Gospel to help heal the world and, in so doing, experience a deeper faith, a more fulfilling life, and a community of care and vitality.

*Here are a few words from Jack*: One of the most fundamental insights of the Gospel, reinforced by the experience of human beings all over the planet, is that the fully human, fully alive person is someone who loves wide. To be whole, says Jesus, is to care not only about the most immediate relationships—family and friends, for example—but to love beyond those with the same last name, same zip code, same flag, or same skin color. Wisdom and holiness, says our faith tradition, is discovered in an active love that embraces all, especially those who have been exploited, impoverished, and abandoned. God’s love and God’s world were meant to be shared by all!

This year, the diocesan **Day of Penance and Mercy** will be on March 28, a day when the opportunity for the sacrament of reconciliation will be offered throughout the day in each parish. A great blessing during the season of Lent!
All Lives Are Worth Living
God becoming one of us is the ultimate confirmation of the inherent dignity of human life. That dignity does not depend on how functional or productive we are. We have dignity because we ARE. Yet the elderly, the disabled, those who are not getting the care they need, are vulnerable in the face of the push to legalize physician-assisted suicide here in New York State. Learn more and advocate to protect the dignity of all human lives. Check out www.dor.org, click on Public Policy (lower left sidebar) for more info. Sign a letter or petition to your legislators opposing assisted suicide on Public Policy Weekend February 4-5.

“Closeness to the poor, the refugee, the immigrant, the sick, the exploited, the elderly living alone, prisoners and all God’s other poor, will teach us a different way of resting, one which is more Christian and generous.”
~ Pope Francis

Creating a Culture of Encounter
National Migration Week, January 8-15

Creating a Culture of Encounter
For nearly a half century, the Catholic Church in the United States has celebrated National Migration Week, which is an opportunity for the Church to reflect on the circumstances confronting migrants, including immigrants, refugees, children, and victims and survivors of human trafficking. The theme for National Migration Week 2017 draws attention to Pope Francis’ call to create a culture of encounter, and in doing so to look beyond our own needs and wants to those of others around us. In the homily given at his first Pentecost as pope, he emphasized the importance of encounter in the Christian faith: “For me this word is very important. Encounter with others. Why? Because faith is an encounter with Jesus, and we must do what Jesus does: encounter others.”

With respect to migrants, too often in our contemporary culture we fail to encounter them as persons, and instead look at them as others. We do not take the time to engage migrants in a meaningful way, but remain aloof to their presence and suspicious of their intentions. During this National Migration Week, let us all take the opportunity to engage migrants as children of God who are worthy of our attention and support.
