Mary, the Holy Mother of God

When eight days were completed for his circumcision, he was named Jesus, the name given him by the angel before he was conceived in the womb. - Lk 2:21

The Lord bless you and keep you!
The Lord let his face shine upon you,
and be gracious to you!
The Lord look upon you kindly
and give you peace!

Sunday Communion Service - January 8
The Highlands - Fred & Marie Lapple & Heather Heights - Mary Ann Monley
New Year’s Blessings!

Solemnity of Mary, the Holy Mother of God

1st Reading: Numbers 6:22–27
*The Lord give you peace!*

2nd Reading: Galatians 4:4–7
*God sent his Son, born of a woman*

*Mary kept these things in her heart*

Ancient Blessing
The blessing we hear in the first reading may be one of the most ancient poems in the Old Testament. Yet it has aged well. In both Jewish and Christian tradition, these ancient words are still often used to bless God’s people. While committing passages of scripture to memory is not so much a part of our Catholic tradition, this simple blessing is a good one to hold in mind and heart. We use the blessing in whole, and at times some of its phrases become an important part of our prayer, as in the Eucharistic Prayers for Various Needs and Occasions, when we pray for our deceased loved ones. “Admit them to rejoice in the light of your face.” The light of God’s face – a blessing in this life and the next!

Speaking of Eucharistic Prayers…
And how many do we have? There are the four most familiar, simply named I, II, III, and IV. There are two for Reconciliation, four for Various Needs and Occasions, and then three Eucharistic Prayers for Masses with Children.

Spirit of Adoption
St. Paul was a master of images, powerful phrases and profound insights. Here is one to ponder. In the second reading, from Galatians, he offers as proof that we are sons and daughters of God: “God has sent the Spirit of his Son into our hearts, crying out, ‘Abba, Father!’” So when exactly does this crying out happen? Every time we pray the Lord’s Prayer, and begin “Our Father.”

Knowing the Son
Images of the Annunciation are beautiful. Hearing Luke describe it is moving. But the very brief description earlier in Luke’s Gospel leaves plenty of room for questions. One thing is certain. While Mary may have been told of her special honor, and that her son would become great, and be called the Son of the Most High, still, only over time would she come to understand the full meaning of Gabriel’s message. How does understanding grow? Over and over we hear that Mary kept all of the things she observed, reflecting on them, pondering them in her heart. Conversations with shepherds, interactions with Simeon and Anna, watching Jesus’ ministry unfold. Each added a bit more understanding. How do you grow in understanding Jesus? How does your relationship with our Lord grow? Here at St. Louis, we try to offer as many things as we can to help you reflect on things in your heart!

Looking Ahead:
The Epiphany of the Lord

1st Reading: Isaiah 60:1–6
*The glory of the Lord shines upon you!*

2nd Reading: Ephesians 3:2–3a, 5–6
*The mystery made known to us*

Gospel: Matthew 2:1–12
*We saw the star at its rising*

**This Week’s Tithing Will Support Nativity Preparatory Academy**

**Next Week’s Tithing Will Support Daystar**

Daystar for Medically Fragile Children, Inc, is New York State’s first-and-only Pediatric Day-Respite Center for children up to age six who are braving serious, and often life-threatening healthcare complexities and developmental challenges. Daystar’s one-of-a-kind program incorporates a coordinated, case-management approach to ensure that each child receives the expert care they need to successfully support their developmental, healthcare, and family goals. Daystar’s core services model incorporates expert pediatric nursing and respite care, therapeutic and educational enrichment programs, and family training, support, and advocacy services, including care coordination and transitional services for children leaving early intervention programs and entering school-based systems of care.

Daystar provides seamless coordination of each child's required therapies and partners closely with Monroe County’s Early Intervention program and area school districts. Daystar also offers weekly music therapy and special education services for all enrollees, through its own adaptive early intervention curriculum, Special Early Education Developmental Strategies (SEEDS). Operating year-round, Daystar is the only center-based program available offering full-day learning opportunities for children as young as six months of age through age five across its three dedicated classrooms.

Founded in 1988 by the Sisters of Saint Joseph of Rochester, Daystar’s inclusive, encouraging learning environment and nurturing, social atmosphere recognizes each child’s individuality beyond the limits of their medical diagnosis. Its innovative program has won accolades from New York State Office of Children and Family Services as a Best Practices Program & Environment. Learn more at www.daystarkids.org.

Sponsored by the Diocese of Rochester.

Would you like to make it easier next year? Consider shifting to electronic giving. EFT (Electronic Fund Transfer) means that your monthly contribution is automatically transferred from your checking or savings account to St. Louis Church. Benefits of giving through EFT: You control the amount and timing of your monthly offering to St. Louis Church, plus related Diocesan/National appeals as well as Holy Days. You can spread your contributions evenly over the entire year, and the Church can count on an even flow of contributions.

You receive an annual statement by e-mail or regular mail. These statements also document Diocesan/National and Holy Day collection amounts. This page serves as a record for those who itemize contributions on their tax returns. To use EFT, you need to complete the Authorization Form and return it with a voided personal check. EFT forms are available in church; or you can call the Ministry Center (585-586-5675) for us to mail the form to you; to download a form, go to www.stlouischurch.org/parish-support.

We are deeply grateful for every contribution to our parish, no matter how large or small. The gratitude your contributions express, in proportion to your blessings, is a good and holy thing. Thank you to all who have completed a pledge card. Thank you to everyone who has made a generous pledge to the Catholic Ministries Appeal as well. Your generosity is an inspiration to others.
“Remember on Christmas morning how we found our way to the stable? It may have been the stable on the mantle shelf or under the Christmas tree or in our parish church. We gazed at the baby in the manger just like the shepherds had done so long ago. Jesus was there with Mary and Joseph.

Today we begin our new year at the Eucharistic Celebration of the Holy Mass. We thank God for Mary, Jesus’ mother, who brought the Savior into the world. Because she is the mother of Jesus, God’s Son, she truly is the Mother of God. Through the power of the Holy Spirit, baby Jesus was born of Mary. Joseph was Jesus’ loving foster-father.

God chose Mary to be the mother of his Son. She was a teenager and her parents were Joachim and Anne. Mary loved God and her Jewish religion. Her neighbors thought she was an ordinary young girl just like other girls. It was God’s work in her that made her so special, so blessed. God sent the Archangel Gabriel to Mary’s town of Nazareth. The angel told her about God’s wonderful plan - wonderful for her and for all of us. Mary wanted to please God and although she was confused she accepted the plan.

She became Jesus’ mother. Mary and her husband, Joseph, tried to raise Jesus the best way they could and with great love. Jesus spent many happy, quiet years with Mary and Joseph in Nazareth. When Jesus was about thirty years old, he began his preaching and healing ministry. This is called his public life, which started a few years before Joseph died. Jesus could not now stay just in the little home and carpenter shop at Nazareth.

Mary often went with her friends to be near her Son. Mary attended a marriage celebration in Cana. Jesus and his disciples came too. When the wine was over, Mary asked Jesus to do something to help. She wanted him to save the couple from being embarrassed in front of their guests. He worked the miracle and turned plain water into delicious wine. Mary loved Jesus and believed in him.

She was there when he was nailed to the cross and stayed right beneath the cross until she received his dead body into her arms. After the resurrection, Mary waited with Jesus’ apostles for the coming of the Holy Spirit on Pentecost. The apostles loved her. They knew they needed more courage to be real followers of Jesus. Mary prayed for them and encouraged them. She taught them how to be disciples of her Son. Mary’s feast days are special events that happen throughout the year. Today’s feast honors her as God’s Mother. She wants to be our mother, too, and we can ask for her help to make us strong in faith so we can be saved.” ~ holyspiritinteractive.net

The Church teaches that faith is “to entrust oneself wholly to God and to believe absolutely what he says” [CCC 150]. God has no grandchildren, only children! He will not force us to entrust ourselves wholly to him and believe absolutely what he says. That is our choice. There is no greater New Year’s Resolution than to make that decision each and every day of 2017!

Tri-Parish Retreat

Mark your calendar now for the annual tri-parish retreat (St. Louis, Transfiguration, St. Catherine), March 13, 14 & 15. Our presenter, Jack Jezreel, is a dynamic speaker who founded JustFaith Ministries. JustFaith Ministries was birthed in the effort to invite and prepare people of faith for the life-changing and world-changing call of the Gospel to help heal the world and, in so doing, experience a deeper faith, a more fulfilling life, and a community of care and vitality.

Here are a few words from Jack: One of the most fundamental insights of the Gospel, reinforced by the experience of human beings all over the planet, is that the fully human, fully alive person is someone who loves wide. To be whole, says Jesus, is to care not only about the most immediate relationships—family and friends, for example—but to love beyond those with the same last name, same zip code, same flag, or same skin color. Wisdom and holiness, says our faith tradition, is discovered in an active love that embraces all, especially those who have been exploited, impoverished, and abandoned. God’s love and God’s world were meant to be shared by all!

The St. Louis Ministry Center will be closed Monday, January 2.

Saint’s Place will be closed Monday, January 2 and reopens on Tuesday, January 3.
Creating a Culture of Encounter

National Migration Week, January 8-15

For nearly a half century, the Catholic Church in the United States has celebrated National Migration Week, which is an opportunity for the Church to reflect on the circumstances confronting migrants, including immigrants, refugees, children, and victims and survivors of human trafficking. The theme for National Migration Week 2017 draws attention to Pope Francis’ call to create a culture of encounter, and in doing so to look beyond our own needs and wants to those of others around us. In the homily given at his first Pentecost as pope, he emphasized the importance of encounter in the Christian faith: "For me this word is very important. Encounter with others. Why? Because faith is an encounter with Jesus, and we must do what Jesus does: encounter others."

With respect to migrants, too often in our contemporary culture we fail to encounter them as persons, and instead look at them as others. We do not take the time to engage migrants in a meaningful way, but remain aloof to their presence and suspicious of their intentions. During this National Migration Week, let us all take the opportunity to engage migrants as children of God who are worthy of our attention and support.
