See You at Mass!

Are you familiar with our Pastoral Care team here at St. Louis? Actually, pastoral care should be part of everyone’s concern; corporal works of mercy are not just an item on the job description of particular staff members, or volunteers; we are all called to share in pastoral care, a.k.a., works of mercy. But we do have a particular group here at St. Louis whose single-minded focus is pastoral care. The group meets to plan and provide various events like the Sunshine luncheon, Bereavement Mass, and such. They also visit the hospitals, and discuss and respond to a variety of pastoral needs, working together with the clergy and staff.

In the coming weeks, our Pastoral Care team will be much more visible. There will be a member at each Mass, stationed near an entrance/exit, with a nametag reflecting their roll. As you may know, ever since the passage of HIPAA, with increased legislation regarding privacy, it can be very difficult for the parish to even know who is in the hospital, or otherwise in need of pastoral care. Our Pastoral Care team would like to make it easier for you to let us know who needs prayer, who needs a visit, who might appreciate someone bringing communion.

Beginning this weekend, look for the member of our Pastoral Care team who is attending the Mass you attend. They will be wearing a nametag. If you are aware of someone in the hospital who would like a visit, someone ill at home, or of some other pastoral need, please let the person know, and they will make sure the information gets to where it needs to go. They will even be equipped with pen and paper, something priests and deacons don’t always have on hand immediately before or after celebrating Mass when greeting one person after another.

Please pray for our Pastoral Care team, dedicated fellow parishioners who make pastoral care their path of stewardship. Might you be feeling the call to get involved in such ministry? Please check out the information on page 9, contact Peggy Midgely, or the pastoral care person at the Mass you attend, or one of the priests. This may be just the way to develop a gift God has given, so as to return it to the Lord with increase!

Watch for more about the Pastoral Care team this month. Pick up our new Stewardship brochure, for a full range of ways to use gifts God has given you. God bless you in the New Year that lies before us, a year filled with gifts to unwrap in each of our lives. Unwrap a gift or two by looking through the Stewardship brochure, reflecting on the interests, talents, abilities or desires God has planted in your heart. Unwrapping the gift is a place to start. The real joy comes in using it!

Peace and blessings to you all this Epiphany, Fr. Bob

Sunday Communion Service - January 15
The Highlands - Richard Caruso & Heather Heights - Pete & Gerry Shea
Echoing Through the Ages
Israel triumphs through the power of God, foreigners finally recognize the primacy and splendor of Israel’s God, and the faithful brim with pride. Isaiah’s vision is a compendium, echoing images from other Old Testament passages, including psalms like Psalm 72 (check it out). The echo resounds in our Gospel this weekend, and in the book of Revelation as well. The Magi and their gifts are for Luke a fulfillment of Isaiah’s vision. In the big picture, they come from symbolic places with symbolic gifts. But Luke has even more in mind, as he chronicles the spread of the Good News among Gentiles. The Magi not only recognize that this child is worthy of homage, they also are symbolic themselves … this child was born not just for Jews, but for Gentiles, who recognize and honor him right from the start. Gold, Frankincense and Myrrh were somewhat standard gifts for a deity of king. They also may have foreshadowed key truths about Christ – kingship, priesthood, and his atoning death.

Members of the Same Body
The challenges of how Jewish Christians and Gentile Christians could all be part of the same church and community of faith were worked out long ago. But that does not mean that our passage from Ephesians is just ancient history. Two points are quite relevant today. First: the basic premise throughout the New Testament: disciples of Jesus are all brothers and sisters, and the intent of the Lord is that all are in one body, one church. The multiplications of divisions in the body can hardly be of God if we take God’s Word seriously. Secondly, Paul’s understanding of God’s grace in his life is worth taking to heart: God’s grace was given to him for the benefit of others. Should we expect anything different of God’s grace given to us? Let’s think about what that might mean in our lives. In fact, talk it through with someone!

Wise as Serpents yet Innocent as Doves
In Matthew’s Gospel, the 12 are sent out as sheep among wolves, missioned to be wise as serpents yet innocent as doves. Before Jesus ever spoke the words, the Magi seem to have lived them. They were wise enough to recognize Herod’s duplicity, and that of others in Jerusalem.

But rather than get drawn into the mess, they avoided returning to Herod, efficiently bypassing Jerusalem. As disciples called to share the Good News, how might we be wise as serpents but innocent as doves? Think through the best entrée to begin a conversation about faith (wise). But be gentle, like a dove. Start with why your faith makes a difference for you … and simply share that you wish others might find some of the blessings you have.

Looking Ahead:
Second Sunday in Ordinary Time

1st Reading: Isaiah 49:3, 5–6
I will make you a light to the nations

2nd Reading: 1 Corinthians 1:1–3
To you who are called to be holy

He will baptize with the Holy Spirit

**This Week’s Tithing Will Support Daystar**

**Next Week’s Tithing Will Support Pittsford Food Cupboard**

The Pittsford Food Cupboard is a food pantry serving more than 4,000 households in Monroe County “Feeding Hope One Family at a Time.” Suzy Ward, a St. Louis Parishioner, is the current Executive Director. The Pittsford Food Cupboard’s mission is to help alleviate hunger for families in need who live in a six zip code area between the City of Rochester, Pittsford, Brighton and East Rochester by supplementing 10 days of food supplies, ultimately contributing towards clients’ independence. Clients come from all walks of life, many just needing a little help to get through a period of unemployment or illness. Others need assistance because of inadequate fixed incomes, a disability or uninsured medical bills, single parenthood or an increase in household size.

This past year, the cupboard provided food supplies to over 4,000 households, totaling over 9,400 people. The Cupboard typically serves over 400 families per month. PFC relies on its staff of over 100 volunteers. The Cupboard has a variety of flexible volunteer programs that make it easy for members of the community, adults or students, to get involved and volunteer at group or individual levels. Besides collecting food, assisting clients, helping with office work, stocking shelves or picking up food, volunteers can “Adopt-A-Shelf” hold can and bottle drives, or be a sponsor and coordinate food drives at their organization. Donors to the Food Cupboard include civic groups, churches, schools and scout troops.

For details, visit www.pittsfordfoodcupboard.net or contact Suzy Ward directly at 585-746-5676, Thank you for your prayers, your food donations, and your critical financial support.

**Brief Preliminary) Report From St. Louis Haiti Team**

When we learned that a generous donor was offering to double the amount raised by any one group during the calendar year of 2016, we rolled up our sleeves and doubled our efforts in fundraising for Fr. Rick Frechette's awesome St. Damien Pediatric Hospital.

We succeeded in reaching the level of over $50,000 stipulated to qualify for the challenge. TOGETHER WE DID IT over these 12 months with your donations to Fr. Rick when he visited, through our Parish tithing, through Corn and Ornaments sales; and enhanced by the participation of many good enthusiastic folks: Powers Farm Market Family, St. Michael’s Woodshop, Holy Childhood, 28 merchants and churches, Girls Challenge Group, Knights of Columbus, and our awesome Haiti Team “elves.”

On behalf of Fr. Rick and the many thousand of lives he touches, THANK YOU for the $63,000 raised, which is now doubled to $126,000!

**FOR MED® THE CATHOLIC FAITH, ON DEMAND.**

**Become a New Creation in 2017!**

Made any resolutions? Have you already broken them and given up? I hear you! For inspiration, check out these conversion stories by Jennifer Fulwiler, Jeff Cavins, and Scott Hahn. They have great stories to tell and can help us all become a new creation in 2017!

To register for these FREE resources, go to FORMED.org and use the parish code: KMFHWV.

To find these resources at FORMED.org, click on “Audio” and scroll down to “Conversion Stories.”

In this compelling presentation, Jennifer Fulwiler recalls her spiritual journey — one that ultimately led her to enter the Catholic Church after a life of atheism.

Jeff Cavins explores and responds to some of the reasons why so many people have left the Catholic Church for Evangelical Christianity. As he presents the story of his return to Catholicism, Cavins also builds a case for why the Catholic Church is the Church founded by Christ.

Dr. Scott Hahn explains how he was militantly anti-Catholic but self-driven to seek the truth. This ultimately led him into the Catholic Church. He soon became an ardent defender of the Faith and one of its most passionate promoters.

Creating a Culture of Encounter

National Migration Week 2017
January 8 - 14, 2017 (Week after the Feast of the Epiphany)

For the millions of people fleeing war, violence and oppression, there may seem to be nothing but what Merton calls “the world at its worst.” As Catholics we are called to see Christ in these children, women and men, and to be Christ for them, this is particularly appropriate as we remember the Holy Family’s Flight into Egypt after the feast of the Epiphany.

“For nearly a half century, the Catholic Church in the United States has celebrated National Migration Week, which is an opportunity for the Church to reflect on the circumstances confronting migrants, including immigrants, refugees, children, and victims and survivors of human trafficking.

The theme for National Migration Week 2017 draws attention to Pope Francis' call to create a culture of encounter, and in doing so to look beyond our own needs and wants to those of others around us … [Pope Francis] emphasized the importance of encounter in the Christian faith: For me this word is very important. Encounter with others. Why? Because faith is an encounter with Jesus, and we must do what Jesus does: encounter others.”

With respect to migrants, too often in our contemporary culture we fail to encounter them as persons, and instead look at them as others. We do not take the time to engage migrants in a meaningful way, but remain aloof to their presence and suspicious of their intentions. During this National Migration Week, let us all take the opportunity to engage migrants as children of God who are worthy of our attention and support.”
