Witness to Transition

Twenty years ago Father Jim Schwartz (our skiing friend of many years) invited Father Ray Booth and myself to come to live at St. Louis Rectory. We each promised to offer our assistance in the ministry of the parish wherever possible. That invitation began what has become a long and delightful interlude in my life as a priest and has enabled me to share in the life of a vibrant parish. Never staff members, Father Ray and I always considered ourselves part of the family of St. Louis, celebrating Eucharist, offering the sacraments, visiting the sick, enjoying parties and all manner of social events with the community.

We all enjoyed Father Al Delmonte’s coming to join us and were saddened when he left to offer his ministry to the people of St. Ann’s Community. We were all again sad when Father Jim went on to St. Joseph Parish in Penfield, but welcomed with joy his “beloved classmate”, Father Kevin Murphy, as the next pastor of St. Louis. The Murphy years were followed by Father Bob Ring’s assignment as pastor and landlord of Father Ray and myself. We enjoyed the talents of Father Peter Mottola who, in his relatively short time with us, saw us through Father Ray’s illness and death. Father Ray’s death was devastating for me and for all of us; we realized how special a place he had in the life of all of us.

The sadness of Father Ray’s absence found an echo in Father Bob Ring’s departure from St. Louis. We were able to experience the ministry of still another priest, however, when Father Bob Kennedy served as administrator. I can still hear the applause when he announced that he was to stay another six months. A source of consolation for me is and Father Juan, who came to us as a deacon and has been with us through these difficult days of transition. His jokes can remind us of Father Ray; his talent in calling all ages to serve at Mass has brought all those servers from pre-kindergarten to senior high school.

Today we have the joy of the presence of two more gifted priests in Father Mitch and Father Hoan (“John”). Father Mitch’s enthusiasm and insight, Father John’s thoughtfulness and laughter bring a lot of welcome activity to the rectory.

These twenty years at St. Louis have offered all of us the opportunity to see the giftedness of priesthood - that priesthood that Jesus left to nourish the priesthood of all of us. I hope you have enjoyed it as much as I. We can find in God’s gift the profound gift of His presence among us and in each of us. Our task always is to let the world know what is there for all.

Christ’s Peace to You, Msgr. Gerard Krieg

WORD OF EVERLASTING LIFE

HABITAT CONSTRUCTION

Habitat Coordinators will be available in the Narthex before and following Masses on August 3rd and 4th to provide information about our current house construction project at 120 Holworthy St. They will also assist with the scheduling of work dates for those wanting to help at the work site.

In addition, Ethel Duble, Flower City Habitat’s Development Director, will make a brief presentation regarding Habitat and our project following the Aug 4th 9am and 11:15am Masses.

HABITAT CONSTRUCTION VOLUNTEERS NEEDED

The volunteer work schedule from July 17 through August 30 has been available online for several weeks. But volunteers have been slow to register and schedule their work. So we are now providing this reminder to those who are interested in helping to build our Habitat Interfaith Partnership (HIP) house to register and schedule their work soon.

You may do so yourself by using the following link to Flower City Habitat’s web site: rochesterhabitat.org. Once there, click on our Habitat Interfaith Partnership logo and be sure to read “About This Campaign” to learn about working on-site, including appropriate working attire, amenities and other construction FAQs. Having read that, click the green button labeled “VOLUNTEER,” and then follow the instructions to selecting specific date(s) and time, registering and identifying an emergency contact.

Alternatively you can get assistance to register and schedule your work by calling Ken Braley, FCHH’s Volunteer Engagement Manager (office: 1546-1470 ext.315; cell: 435-7252); or St. Louis’ Coordinators Bob Scholl (472-5067) and Rick Cusker (747-9062).

As of 7/15/19 you can schedule to work on-site -- from 9am to 4pm (a full day) or from 9am to noon (a half day) on the following dates:

Remember, you do not have to have any construction experience or skills on this build. Our highly experienced supervisor Edwin is a great teacher, he’ll find a job suited to you, and will teach you what to do. Nor do you have to bring any tools to the job site as all will be provided.

Thank you in advance for helping to build our 8th Habitat home!

This Week’s Tithing Will Support Daystar

Next Week’s Tithing Will Support Isaiah House

“We live our lives enriched beyond measure when we accept the eventualities of our own deaths and are free to live fully—and thankfully—each moment.”

At Isaiah House, we affirm the value of life at every stage by providing compassionate care for the dying. While neither hastening or preventing death, we help our residents live their last days in comfort and love.

We offer residence to people with irreversible illnesses who have been determined to be within the last three months of their lives. Hospitality and comfort are rendered in cooperation with a certified home health agency and the resident’s physician. We can serve two residents at a time in our house. We believe in the dignity and value of every person and we welcome everyone with the same unconditional love.

Isaiah House charges no fee. We rely on the generosity of those we touch — the friends, family and loved ones of those who have helped during their final journey — through memorial donations, estate planning, volunteering and more. For more info, visit theisaiahhouse.org.

Young Adults: You are invited! Join us on Sunday, August 4 for 5pm Mass followed by a Young Adult Cookout!

Important Faith Formation/Youth Ministry/Sacrament Registration Deadline!!!

We are asking (nagging and begging) you to please get your registrations in prior to the official cut-off date.

Please visit: StLouisChurch.org/ff for registration and info.

Please be aware that the late fee has gone into effect. There will be a $35 late fee applied to all registrations.

Special Event helpers Needed in Faith Formation/Youth Ministry/Sacrament Preparation

We are in need of a few extra hands to help us during special events and preparation sessions! Some of the tasks include helping with set-up, clean-up, snack set-up, and craft assistants to name a few. Please consider volunteering in any capacity you might have time for because we NEED you 😊

Please contact Michelle Andrews-Smith or Dominic Salamida for questions and sign-up opportunities.

It’s that time of year again….Teachers and subs needed!

We are looking for volunteers willing to either be a classroom catechist (teacher) or a sub in our Kindergarten through 9th grade programs. We have availability on either Tuesday afternoons from 4:30 pm – 5:30 pm for grades K-5 or Sundays from 10:00 am -11:00 am for grades K-9.

Please consider being a part of this important ministry! Don’t want to do it by yourself, how about asking a friend to team teach with you? You’ll be so glad you answered the call! For more information, please contact either Michelle Andrews-Smith or Dominic Salamida!

BUILDING COMMUNITY

The First Lego League team from St Louis School would like to say a HUGE THANK YOU! We were so appreciative of St. Louis Community’s support and prayers that helped us get to the Global Innovation Awards in San Jose, CA this July. The Eight Magneteers were one of 20 semi-finalists chosen from 40,000 teams worldwide to attend and compete at this conference for their idea of “Magnetic Dodgeball,” a fun way for astronauts to exercise in microgravity. Although we didn’t place in the top 3 (those honors went to 2 high-school teams – one from Brazil and one from Italy – and a middle school team from California), the kids did an amazing job with their presentations, even delivering one in front of over 200 people and a panel of experts, including astronaut Dan Burbank! They also attended many seminars, and know more about patents, trademarks, designing new products, elevator pitches, business plans, problem solving and STEM (Science, Technology, Engineering & Math) careers than seems possible for 10 and 11-year-olds!

The kids have much to look back on. The team was invited to Mass by Bishop Matano, where he encouraged them to use their love of STEM to make the world a better place. Throughout their journey, the kids learned about hard work, trial and error, and perseverance. Perhaps the best lesson learned is summed up from a quote from Leo Rivera, retiring Technology Teacher at St. Louis School, “Believe in yourself and even gravity won’t hold you down.” Please look for an article about the team in the August Back to School issue of the Catholic Courier.
Come Hear Their Stories!

Each of us carries a unique story of how God is working in our lives. Join us these two nights to get to know our new priests better. Allow them to share a little about their vocation call, the journey that brought them to St. Louis, and what lights them up!

**Why Stay Catholic with So Much Scandal?**

Bishop Robert Barron has written a book that can help answer this question. It is a cry from the heart, for fellow Catholics who feel, understandably, demoralized, scandalized and angry beyond words.

Thanks to the generosity of a group of donors, St. Louis Church will be handing out copies of Bishop Barron’s book the weekend of August 25th at each of the Masses.

We will follow up with a discussion session September 18th from 7:00-9:00 p.m. in the Parish Meeting Hall where we can come together, express our concerns and draw strength from one another.
