RIGHT BEFORE OUR EYES!

Our scripture message this weekend, found in the 1st reading and the Gospel, is quite straightforward. God’s unfolding plan often starts small. But never what God can do given the smallest opportunity, most meager opening, the tiniest seed! With God, amazing results are to be expected. God often opens our eyes through the scriptures, this weekend teaching us about grace: it leads to a prodigious future!

Colleen Knauf began collecting a few things 17 years ago to help resettle a refugee family. Who would have expected that to lead to Saint’s Place, a ministry that serves hundreds of refugees every year? That modest effort now includes partnerships with Catholic Family Center, St. John of Rochester, other churches, Rotary, Knights of Columbus, Mercy High School, St. Bonaventure and Nazareth, and even the Royal Bank of Canada! The modest fundraising sale to help fund Saint’s Place, has grown into the Super Sale. Both, perfect examples of a seed of an idea, inspired by God, eventually providing shade for so, so many!

Many of the excellent opportunities our school offers unfolded in the same way. To name one: prior to the reversion of our school from a diocesan run school back to a parish operated school, the pre-school program was quite small, almost an afterthought. Now, that part of the school is an early childhood education program that has almost outgrown the space we have! No doubt the idea of the STEM (science, technology, engineering and math) program will follow a similar trajectory, God willing.

This week, both our Pastoral Council and Stewardship Council met. The mission of both groups includes the message of this week’s scriptures. Look for opportunities to plant new seeds. See where good seed has taken root, and provide the sunshine of praise, the water of encouragement, the nourishment of assistance as needed. The idea, supported by both Councils, of collecting information about where we all contribute our time and talent outside the parish: the goal is so that we can provide water, sun and nourishment, in the form of tithing, promoting and perhaps directing additional volunteers to ministries and missions that mean a lot to you.

The gardening insight I add: companion planting. Many gardeners don’t realize that some plants, when planted near each other, benefit both (Basil with Tomatoes works in salads and in the garden!). I’ll let you research the many examples, but taking it as a parable, Saint’s Place, Knights of Columbus, our School, and Eagle Scout projects are proving mutually beneficial. The Parish Pictorial Directory; our tree in church, collecting information about how folks use their time and talents outside the parish: the goal is so that we can provide water, sun and nourishment, in the form of tithing, promoting and perhaps directing additional volunteers to ministries and missions that mean a lot to you.

A question to bring to prayer, and then to praise: when and where have you seen our Gospel message play out? How could you become part of the process? Blessings, and happy planting! Fr. Bob

**Sunday Communion Service - June 21**
The Highlands: Mary Ann Monley Heather Heights: Darlene Huver
**Eleventh Sunday in Ordinary Time**

1st Reading: Ezekiel 17:22-24  
*Planted on high by the Lord*

2nd Reading: 2 Corinthians 5:6-10  
*We walk by faith*

Gospel: Mark 4:26-34  
*The power of God at work*

---

**Amazing!**

The link between Ezekiel’s allegory in our first reading and the parables in our Gospel is quite straightforward. The tender shoot taken from the top of the cedar represents humble beginnings. King David’s dynasty began humbly, but grew to a great kingdom. The Lord may be telling Ezekiel that the humble beginnings after the return from exile will one day lead to something even more astounding. Humble beginnings to an amazing destiny, then the divine reversal – mountains brought down, valleys raised up, deserts watered, fertile fields becoming barren, the proud being humbled and the humble lifted up: these themes of how God operates are woven throughout the Bible, sometimes in parables, in psalms, in prayers, often in salvation history. There is a messianic tone to Ezekiel’s allegory as well. Reread the passage, pray Mary’s canticle (Luke 1:46-55), and see if it may speak to anything in your experience!

**Trust Walk**

Sometimes on a youth retreat, there is an exercise called a trust walk. Blindfolded, one is led around by another participant. It illustrates the challenge of trusting and letting someone else lead the way. Where did the idea for such an exercise come from? Perhaps today’s passage from St. Paul: “we walk by faith, not by sight.” Most folks doing a trust walk need to be in conversation with the person leading them, for reassurance. Another way to look at prayer?

**Don’t Let It Fool You**

We can easily think everything in the Bible is super solemn and serious. Yet a closer look reveals there is often great humor packed into God’s Word. We lose some of it because frequently the humor is found in word play, which gets lost in translation. Parables often include elements of humor. Another way to express the truth in today’s two parables: Don’t let the small beginnings of Jesus’ ministry and the early church fool you! Events in backwater Palestine that never even made the news in Rome at the time will one day transform the world!

**Our next Baptismal Preparation for parents is this Sunday, June 14. Please come to the 11:00 am Mass, and afterward we will meet to explore the experience of the sacrament at Mass, how the various elements set the stage for parents continuing that journey of bringing their child into the church, to become a disciple.**

**Looking ahead:**

**Twelfth Sunday in Ordinary Time**

1st Reading: Job 38:1, 8-11  
*Who set the limits for the sea?*

2nd Reading: 2 Corinthians 5:14-17  
*In Christ, we are a new creation*

Gospel: Mark 4:35-41  
*Even the wind and sea obey him*

**At Home with the Word**

Did you pick up a copy when we distributed them at the beginning of the church year? See if you can find it, and each week this summer, try reading just the two pages that contain the next Sunday’s readings, and the reflections. Don’t have a copy? There are extras at each entrance of the church, there for the taking!

*When I found your words, I devoured them, they became my joy and the happiness of my heart, because I bore your name, O Lord, God of hosts. Jeremiah 15:16 (They can become the joy and happiness of our hearts, too!!)*

**You Are Family** And we would like your family in our family photo album! Please sign up for a time to be photographed, on the web, after Mass, or by calling the office. Remember, all who participate will receive one free photo, the new directory of our parish, and a chance to purchase other photos if you wish.

**Mark your calendar!**

Fr. Carlos Sanchez will celebrate his first Mass as priest here at St. Louis Church

**Next Sunday, June 21 at the 11:00 am Mass.**

**Sister Stan - Nazareth Home for God’s Children**

Sister Stan Terese Mario Mumuni is a Ghanaian national who has worked as a missionary in West Africa for over 16 years. Her dream was to establish a new orphanage to care for the "spirit children" of her local region of Northern Ghana. With almost 8 acres of land and the blessing of both her Bishop and the local Muslim village chief, Sister Stan and the Marian Sisters of Eucharistic Love were able to design and raise funds for a new orphanage, which is now complete.

**June 6, 2015:** Prayers requested, as we have learned that several people have become sick with chicken pox at the orphanage ... five children, one staff member, and Sr. Stan! All of the sick have been moved to the old home, since there is no clinic yet. Pray for mild cases, quick healing, and no more spread of the illness!

**May 9, 2015:** Progress continues with the completion of shops where items that the children and workers have made can be sold to residents in the village. There is also a fancy new entryway into the orphanage!

**April 12, 2015:** Samuel, Julie, Lizzie, and Alice received their 1st Communion on Saturday, April 4th at the Easter Vigil Mass. These four children are the first in the home to have received the Holy Eucharist. They have been preparing ever since last summer with Sr. Stan and the parish priest for this very special occasion.

**March 29, 2015:** This Palm Sunday Procession is not taking place within the grounds of the orphanage. It is going straight down the main street of the primarily Muslim village, Sang! What a testament to the love that Sr. Stan shows to everyone, the love she gets in return, and how people of all faiths can love and respect and support each other!

**March 21, 2015:** Greetings and Love from the Nazareth Home for God’s Children. A great shock took place here on the 17th of March. A rain storm destroyed our rented house, where I [Sr. Stan] have run the orphanage for 4 years. This former orphanage has now been used as a residence for staff and as an office. This has rendered the staff homeless, but they are now staying at the reception [area] of the new house. It destroyed the sisters clothing and properties, beds and mattresses, our office documents and computers. This has caused us a deep sorrow and pain but if we look back to see that there were no injuries or casualties, we must say thank you to God and to all of you who have helped us to have a shelter for the kids before this misfortune. If this had happened the time we were staying there, we wouldn’t have heard good news. So help us thank God and also pray for us. Rev Sr. Stan

**This week’s second collection supports the Catholic Communication Campaign (CCC).**

Our church can communicate the Gospel through Catholic social media, enriching our faith through Internet, TV, radio, and print. Half of your donation stays in our diocese to support communication needs here. Thank you in advance for your generosity!

CAMP STELLA MARIS ALUMNI & HELPING KIDS IN NEED!

Do memories of summer camp at Stella Maris bring a smile to your face? Having been blessed, please consider helping St. Louis "pay-it-forward!" Each summer, Camp Stella Maris reaches out to kids who live at or frequent the House of Mercy. Camperships make sharing in the fun possible for these kids who could never attend otherwise. This year there will be 13 children for resident camp and 3 for day camp. However, the kids from House of Mercy literally come with the clothes on their backs.

Help us reach out as a community to the House of Mercy and Camp Stella Maris. With the help of Saint’s Place, we hope to provide the children with the necessary clothing. The St. Louis Knights of Columbus are helping, and a team of Pastoral Care Volunteers will be packing everything to send to camp!

What do we still need?
- Hygiene kits to include: (can be placed in a small Rubbermaid tote)
  - tooth brush and tooth paste
  - soap and shampoo/conditioner
  - deodorant
  - bug spray
  - sunscreen
  - brush or comb
  - little pack of tissues
- New pillows and pillow cases
- New Sleeping bags
- Flashlights and batteries
- Towels and wash cloths
- Sunglasses
- Monetary donations to fill in the gaps (e.g., water shoes [required to go into the lake], snacks, new underwear, etc.)

To make a monetary donation, please send a check made out to St. Louis Church, with Stella Maris marked on the envelope and in the memo section of the check! You can place your donation in the weekly collection basket.

Thank you for the generosity that this parish always demonstrates, especially to those in need. We are also very grateful for so many parish groups pulling together to make this happen. We are blessed indeed! If you need further information, please contact Cris Wensel at ewensel@dor.org or 586-5675, ext. 224.

Yes, we have great gardens and Fr. Bob has adopted several areas.

Another parishioner has adopted two beds for the summer.

How about you? — We need someone to tend the geraniums in the planter. — No bending, there!

And there are other areas that given regular visits by an adoptive “parent” would help us keep the whole campus welcoming and well kept.

The ‘Year of Mercy’: What shall we do??

Tuesday, June 16th at 7:00pm, Ministry Center

Let’s talk put our heads, hearts and spirits together, Tuesday, June 16th at 7:00pm in the Ministry Center. Join us as we continue to plan for this wonderful gift given to all by Pope Francis! Pope Francis announced the extraordinary jubilee Year of Mercy, to begin 7 months from now on the Solemnity of the Immaculate Conception, Dec. 8, 2015. It will end on the Solemnity of Christ the King, Nov. 20, 2016. This Jubilee Holy Year of Mercy flows from Christ’s command in Luke 6:36, “Be merciful, just as your Father is merciful.”

Pope Francis said, “It’s a journey that starts with a spiritual conversion. I am convinced that the whole Church will find in this Jubilee the joy needed to rediscover and make fruitful the mercy of God, with which all of us are called to give consolation to every man and woman of our time. From this moment, we entrust this Holy Year to the Mother of Mercy, that she might turn her gaze upon us and watch over our journey.”

How shall we prepare, participate and celebrate this holy year? We have come up with some great ideas that need to continue to grow. We need your help to do that.

We need:

- all ministry groups, and you!
- ideas that will focus on parish, families, individuals and the larger community
- willingness to dedicate time, energy and follow-through to make ideas happen
- an open heart, open mind, collaborative spirit.

For more information about this exciting opportunity to serve and honor Pope Francis, our parish, and especially our Lord and the Blessed Mother, contact Cris Wensel at cwensel@dor.org or 586-5675.

EAGLE SCOUT PROJECT — HELP NEEDED: Hello St. Louis Parish, My name is Ryan Stansbury. I am a Life Scout in Troop 105 in Mendon and a member of St. Louis Parish. For the past few months, I have been planning my Eagle Scout project, which I hope to complete by the end of June. My project involves making ten shelving units for refugee families associated with Saint’s Place. Saint’s Place is at the white house on the north side of church. Their staff helps legal refugees in Rochester find shelter, food, and other things they need. My shelving units are made out of 3x3 cabinet grade ¼ inch plywood and can hold a number of household items. The units will be stained, and have backs. Like all Eagle Scout projects, scouts have to raise money as part of the process. St. Louis has agreed to match any funds raised for this project, which is really great. If you are interested in helping refugees or appreciate the scouting program, would you please consider contributing to this project? Just place your contribution in the collection basket, marked "Eagle Scout: for refugees", drop it off, or mail to the office or to Saint’s Place. My total budget for this project, including supplies and tools, is about $800. Any extra proceeds will go directly to Saint’s Place. I hope you will be able to donate to this project; it’s going to be a good one! Thank you, Ryan

LOOKING FOR A FEW GOOD LANDLORDS

to partner with Catholic Family Center in providing supportive housing for homeless individuals and families.

Every year thousands of men, women, and children find themselves homeless. Through the Lafayette Housing Program, CFC provides a permanent residence to families and individuals and a range of services including a life skills curriculum that focuses on housekeeping, financial literacy, financial planning, employment skills, education readiness, independent living skills, communication skills, self-empowerment/self-improvement skills, parenthood education, wellness management, medical compliance and personal care. Many lives have been transformed by the Lafayette Housing Program.

CFC needs partner landlords to provide 1 and 2 bedroom units that are at or below fair market rates (utilities included) for homeless men, women, and children. Fair market rates are $867 for two bedroom units and $712 for 1 bedroom units.

Landlords benefit by:
- Helping those in need. Be a part of our community’s effort to end homelessness.
- 0% vacancy rate. Because the lease is in CFC’s name, we will be responsible for finding tenants and paying rent while units are vacant.
- No stressful rent collection process. Because CFC holds the lease, tenants must sublease through CFC, therefore CFC pays for rent directly to landlord. Tenant then pays CFC.

If you are interested or have further questions, please contact: John Paul Perez, Director of Housing Services, Catholic Family Center, 585-546-7220 Ext 6807, jperez@cfcrochester.org.
