God our Father, We give you thanks and praise for fathers young and old. We pray for young fathers, newly embracing their vocation. We pray for our own Fathers around the world whose children are lost or suffering, may they know that the God of compassion walks with them in their sorrow. We pray for men who are not fathers but still mentor and guide us with fatherly love and advice. We remember fathers, grandfathers, and great grandfathers who are no longer with us but who live forever in our memory and nourish us with their love. Amen

Sunday Communion Service - June 26
The Highlands - Richard Caruso
Heather Heights - Marge Mancine
The Paschal Mystery
Revelation is an amazing thing. Begin to notice connections in our Sunday Bible readings; you will be amazed at the incredible way the Holy Spirit inspired the holy writers and editors who shaped the Bible. Some who study the scriptures say our first reading from Zechariah is hard to interpret. “Him whom they have pierced” – who was the prophet referring to back then, after all, it was centuries before the time of Jesus? How does this passage fit with the rest of that prophet’s book? Fine questions, but hear this passage in light of the paschal mystery. “They shall look on him whom they have pierced, and they shall mourn for him as one mourns for an only son,…. On that day there shall be open …, a fountain to purify from sin and uncleanness.” Through the inspiration of the Holy Spirit, Zechariah may have penned a message that had much more meaning than even he could see. Namely, one day, this passage would shed light on the paschal mystery. Is it hard to see why those who put together our lectionary (the book that organizes all the Bible readings for Mass) chose this reading to go with the Passion prediction in today’s Gospel? The last sentence about the fountain can serve well for prayer in this Year of Mercy.

Clothed in Christ
Even if your Bible reading hasn’t led you to read Paul’s letter to the Galatians, being clothed in Christ should be fairly familiar. Many of the prayers we pray and images we use in the sacraments come right out of the Bible. At every baptism, we pray an excerpt of Paul’s letter to the Galatians: “You have become a new creation, and clothed yourself in Christ.” If you brought a friend to church, there was a baptism at Mass, and afterward they asked you “What does it mean to clothe yourself in Christ. Have you done that?” How would you respond? Give it some thought and prayer!

Who Do You Say That I Am?
It is a brief question, but cuts to the heart of the matter. There were many misconceptions about the kind of Messiah Jesus might be, about his identity and his mission. Of the many possibilities, a Messiah, a Son of God who empties himself, and dies that others might have forgiveness and life was not so much on the radar screen. Even though Jesus predicted his passion, as we hear in the Gospel today, it didn’t really sink in for the disciples until after his death, resurrection, and the sending of the Holy Spirit. There are still many misconceptions in the world today, and some may have seeped into our thinking. Who do you say that Jesus is? Does your understanding fit well with what Jesus tells the disciples in today’s Gospel? Look up at the crucifix, quietly soak in what you see, and ask the Lord to help you answer this vital question well.

**THIS WEEK’S TITHING WILL SUPPORT ST. ANDREWS FOOD CUPBOARD**

**NEXT WEEK’S TITHING WILL SUPPORT LIVING A Vocation in Kenya**

Serving God and God’s people is the heart of every priestly vocation. The details often vary, as you will see in this E-mail from Fr. Protus Hamisi, who served at St. Louis while attending St. John Fisher. Next week's tithing will help father get a much needed car for his ministry.

**EMAIL SENT FROM FATHER HAMISI on May 26, 2016:** Jambo, Thanks for your e-mail and for the great stories about Mautuma children that you shared with the students of St. Louis in Pittsford. I’m equally glad that this was received with a lot of enthusiasm. Good job!

Now about my aging car information: I bought this car in 2005, meaning that it is now 11 years old. It has put on a mileage of over **445,000 Kilometers** (278,125 miles); To be safe, I have established that I will require about **$8000 (US money)** to cover for recently increased value added taxes on cars by the government to meet its deficit in the budget. **Benefits of having a car: Pastoral reasons**, a car is essential in reaching out to thousands of parishioners whom I serve. The parish is divided into **8 mission** or sub-parish churches. This is due to the huge population that cannot fit in the main parish church and also because of distance; many parishioners stay far from the main church. Majority walk on foot up to 5 miles to come for **Mass**. That is why we have the mission churches for a priest to drive there to serve the parishioners, especially the children and aged and physically challenged. Each out station or sub-Parish has an average of 200 families.

I also use the car to **take sacraments** - Communion for the sick, Anointing of the sick to the needy parishioners in their homes which are far from the Parish House. Sometimes I have had to carry some of these sick to the Mission Hospital for treatment. We take **Funeral Masses** to the homes of the deceased because many people cannot afford vehicles to transport their loved ones remains to church. **I need a car to reach these homes**. In a week we have an average of 4 funerals because of the huge population and also due to HIV/AIDS epidemic. School Masses and visits: I take Masses and religious instruction to the schools within the parish - **over 25 schools and a few colleges**. Finally as Communication Director I have to drive once in a week to the Diocesan offices and whenever I am required. Sometimes I have to drive outside the Diocese for Communication seminars and workshops at national level and meetings with government officials. I also drive to **St. Louis School** (Sister School) in Mautuma to participate in some of their programs as I watch over their progress and needs, etc. **Our roads are not good** - majority are dirt roads with pot holes, gullies and pools of water especially during the rainy season. The terrain is not friendly to cars and this really wears down cars easily and adds on heavy expenditure on maintenance. By the way, at the moment my car is off the road. It veered off the road into a ditch during a heavy down pour on a dirt road and the result was broken windshield and passenger's door.

Thanks again for the extra mile you go in participating in creating an enabling environment for me to better serve the people here, especially the children here in Kenya. I pray that the mission to enable me have a newer means of transport to reach more people that require my services succeeds. Mirembe, Hamisi.

If you would like to remember your loved ones with the celebration of the Eucharist, stop by the Ministry Center and schedule a Mass time that is convenient for you. You may wish to have a Mass offered on the anniversary of death, a person's birthday or a significant date in the person's and your life. You can also arrange this by calling Birdie at 586-5675.

We are in need of adults to serve as volunteer money counters on teams that count, record, and prepare reports for weekend and other collections. The time commitment is Monday mornings for 2 or 3 hours, every other week. If interested, please contact Laurie Martin at lmartin@dor.org or 585-586-5675, ext. 222.
Baptism Congratulations!!!

We rejoice with these families who have brought their children to be initiated into the faith of our Church community. May God’s love & light grow ever stronger within them, and may their families always be a place of blessing.

**A Prayer for Our Earth**

*All-powerful God,*
you are present in the whole universe
and in the smallest of your creatures.

You embrace with your tenderness all that exists.

Pour out upon us the power of your love,
that we may protect life and beauty.

Fill us with peace, that we may live
as brothers and sisters, harming no one.

**O God of the poor,**
help us to rescue the abandoned
and forgotten of this earth,
so precious in your eyes.

Bring healing to our lives,
that we may protect the world and not prey on it,
that we may sow beauty,
not pollution and destruction.

Touch the hearts
of those who look only for gain
at the expense of the poor and the earth.

Teach us to discover the worth of each thing,
to be filled with awe and contemplation,
to recognize that we are profoundly united
with every creature
as we journey towards your infinite light.

We thank you for being with us each day.

Encourage us, we pray, in our struggle
for justice, love and peace.
