**“BOB THE BUILDER”**

Forgive the light-hearted title for today’s column, but I use it as an entre to update you on the work of our parish Buildings and Grounds Committee, and “coming attractions” at the parish. First, the Buildings and Grounds Committee is required in every parish of our diocese as a subcommittee of the Finance Council. Its mission is to ensure the good condition and safety of all our buildings and properties, and to arrange for any repairs and construction projects. Current members include Jim Bertsch (chairperson), Greg Lane, Angelo Nole, Sally Schrecker, and myself (temporarily!). Additional specialists will be added from time to time.

As the school year comes to a close, you will see construction work begin on The Manse. Long-standing issues will be addressed by replacing the roof, its substructure, insulation and gutters this summer. The project has been estimated at $152,200.00, and the money has been set aside to cover the cost without any extra appeal. (However, don’t hesitate to donate to the project if you are so inclined.) We have been working with Bero Architects, which is noted for its fine repair and preservation work on historic buildings. Since part of The Manse is used for our school programs, the project will begin as the school year is over and will be completed (fingers crossed!) when school reopens in September.

In addition, during 2018 LaBella Associates was contracted by the parish to do a survey of the conditions of all the buildings owned by Saint Louis. Their lengthy, detailed report came back early this year, and the B and G Committee is going through it with a fine-tooth comb to prioritize projects over the next three-to-five years, plus sorting the items that might be able to be done by our maintenance staff and what might require an outside contractor. All our buildings are aging – aging gracefully, but aging nevertheless! The Committee will keep you updated as plans develop.

This coming week will see the first meeting of our rejuvenated Saint Louis School Advisory Board. When Mrs. Barr, the school principal, and I put out the call for people to self-nominate for membership on the board, we had a wonderful wealth of talent step up. A dozen gifted people presented themselves for the seven seats, and so it was a difficult job selecting the right balance of gifts to serve as the initial team. In addition to Mrs. Barr, Laurie Martin, our finance director, and myself, the members are: Brendan Bosack, Janet Dacey, Mari Fitzsimmons, Mark Foggetti, Emily Lewis, Timothy Sheehan and Debra Spencer. Many thanks to all who offered to serve on the Board for their support and commitment to our school. I ask the parish to pray for the work of the Board as we continue to strengthen an already-excellent ministry to your young children.

To all mothers, grandmothers and mothers-to-be, we salute you and thank you for all who have done for us and given to us, your children! May you have blessings a hundredfold in return!

Christ’s peace to you, Father Bob Kennedy

**Joy and the Holy Spirit**

Elizabeth’s unborn child leapt for joy in the womb when expectant Mary came visiting. Angels brought glad tidings of great joy at Jesus’ birth. Luke lets us know right from the start that his message is a joyful one. There is joy in the Gospel, and we hear about the Holy Spirit in the very first chapter. But the joy truly breaks out in book two, the Acts of the Apostles, and the Holy Spirit becomes a lead character. Joy and the Holy Spirit both figure in today’s first reading. Here is the best part: the joy doesn’t depend on what is going on around these early Christians. Trouble gets stirred up, they are being persecuted, but there is joy on the inside. Joy in experiencing the Holy Spirit leading, strengthening, guiding them. Joy in experiencing the Lord with them. Joy in knowing they are right where God wants them to be, doing the right thing for the right reason. Luke trusts that there is little reason to explain that joy. Hopefully his readers know all about it from experience. Watch for joy around you when you come to Mass next week.

**Safe in God’s Hands**

After two fairly lengthy Gospels the past two weeks, today we hear five short sentences from John. Yet those five sentences truly deliver! We can know the Lord’s voice. He knows us, leads us, gives us eternal life. Most precious of all – once in God’s hands we are safe, forever. Next time you are at Mass, when the bread and wine are brought to the altar, and lifted up to the Lord, think of yourself being offered as well, placed safe in God’s hands.

**Shepherding 101**

Shepherding was fairly common in the hill country of Galilee. Those listening to Jesus would have understood his pastoral images. At night, sheep were brought into a sheepfold, a safe protected place. Various flocks would be brought together to a common area. But in the morning, each shepherd would call to his flock. Recognizing the voice of their own shepherd, they would separate back out, each flock heading to its particular pasture, following their own shepherd. Exposure to the same voice leads to familiarity. Following the shepherd’s voice leads to safe pasture. How does that work for us? Pick up a Bible, spend plenty of time in the Gospels, and Jesus’ voice will become familiar!

**A PRAYER FOR MOTHERS**

God our Father,

From the beginning, you have chosen to entrust the human person to mothers in a special way.

We thank and praise you for the gift of mothers; for their tenderness, care, and compassion, for their intuition and encouragement, for commitment and sacrifice.

Bless all mothers this day.

Keep, strengthen, and refresh them in your loving care.

May they be blessed by our open-hearted love and gratitude.

Amen.

### With a Generous Heart

**THIS WEEK’S TITHING WILL SUPPORT NATIVITY PREPARATORY ACADEMY**

**NEXT WEEK’S TITHING WILL SUPPORT SR. REGIS FOOD CUPBOARD**

The Sister Regis Food Cupboard was named for Sister Regis Straughn who started the food cupboard in 1965 at Our Lady of Mount Carmel on Woodward Street in Rochester. Several years ago the pantry, serving the Northeast neighborhood of Rochester for over 55 years, moved to its current location on Bay Street in the same building as Matthew's Closet.

- The pantry serves approximately 963 households in a month. Many who come are receiving public assistance for the first time. Eligible clients can visit the Food Cupboard once a month on a walk-in-basis. Prospective clients must bring criteria such as identification cards for each family member, financial income information, etc., for proof of eligibility. The cupboard is open Monday & Tuesday from 12-3pm and Thursday from 12-2 pm.

- Mercy Sister Julia Norton is the director of the Sister Regis Food Cupboard, and she very much appreciates our help to meet the needs of those experiencing tough times in Rochester. Thank you for your continued generosity and prayers for the clients and volunteers of the food cupboard.

To learn more of many volunteer opportunities such as stocking the shelves, or taking care of the clients, cleaning and doing the necessary business and secretarial work, contact Sister Julia at (585) 454-6766.

Next weekend, May 18th & 19th, we will celebrate Diocesan Missions Sunday - A day to honor the missionary efforts of the Sisters of St. Joseph in Brazil and the Sisters of Mercy in Chile. We are called to take part in the missionary work of the Church. We may not all have to move to another town or city to do so, but impelled by the Holy Spirit, each one of us is to move beyond our daily concerns, important as they are, to help others live in the faith that sustains us.

We are reminded that our missionary activity is a living sign of our faith. The support of our Diocesan Missionaries by the Church of Rochester is a great piece of our history. It was fifty-five years ago that the Diocese of Rochester sent the first sisters to work in the missions. May we share the gift of faith next weekend by helping our missionary friends with our prayers and a generous gift.

A BIG CHANGE IN OUR 2019 HABITAT PROJECT

We have just recently lost our potential buyer for our 356 Campbell Street “renovation” project! As a result, work at that site is being suspended and it is unknown when work at that site can resume or be completed.

HIP has been offered and has decided to accept a change in housing assignment. We will now be sponsoring and building a “new” house at 126 Holworthy St. We understand that work at this new site will start sometime in May or June. Watch for details forthcoming here in the Weekly Bulletin or on FCHH’s website.

Flower City greatly appreciates HIP's efforts to date on our original assignment, 356 Campbell St., as we have brought that house a bit closer to completion. Many thanks to all St. Louis volunteers who have worked on-site. For those who are presently scheduled for work in the next few weeks, you can either show up where you will likely be reassigned to help with another Habitat house; or you could cancel, and reschedule your work once the schedule of our new house project becomes available.

We look forward to our new project and are encouraged with the 50 parishioners who in the past 2 months have expressed interest in helping with the construction of our 2019 house project.

Contact volunteer coordinators Rick Cusker at rickcusker@gmail.com or Bob Scholl at schollroch@gmail.com if you have any questions.
