Jesus Trees on Pentecost

As you know, from looking around the church, in preparation for their first Holy Communion, our girls and boys drew Jesus trees. Then, they added leaves each time they did something that was loving, like Jesus. I hope you have had a chance to check out their artwork, but more importantly, their acts of goodness and love.

Loving like Jesus is not just a kid thing! When we celebrate the birth of the church on Pentecost, we are celebrating how, from the beginning, the church came together as a community that loves like Jesus. We celebrate too how we support one another in finding, developing, and sharing our gifts. In the outpouring of the Holy Spirit, God showers every community of disciples with many different gifts and talents. These make it possible not only to love like Jesus, but also to build up the community, while being Christ’s presence in the wider world.

Anyone who knows anything about St. Louis knows that we make a huge difference in many people’s lives, not only through specific parish efforts, like Saint’s Place, our school, or support of Fr. Rick’s work in Haiti, but through many other ministries in our area and beyond. Hospices. Soup Kitchens. Food Cupboards. RAIHN. Habitat for Humanity. Transportation for the Elderly. St. Michael’s Woodshop. Prayer Centers. Hope Hall. Nativity Prep. The list goes on and on.

Over the course of this year, discussions have taken place at Pastoral Council, Stewardship Council, Tithing Committee and Staff meetings, looking at how we might be even more effective in our outreach. A direction we will be pursuing: strengthening our relationship with the various places where people in the parish offer their time and talent. For years, our parish has been committed to tithing. Our devoted Tithing Committee has met quarterly to decide what ministries we would tithe to each Sunday. We should rejoice in that legacy! Moving forward, we would like to tighten the relationship between our weekly tithing, and where our parishioners offer their time and talent. In this way, it will be even clearer that We Believe. We Belong. We Offer Our Time, Talent and Treasure.

Beginning today, our Stewardship Council will be gathering info from all of us. Where do we volunteer, what boards do we serve on, where are we using our God given gifts? We will use that information to prioritize our tithing, and determine our annual tithing schedule. Previously, the amount any given charity received could vary significantly, depending on the collection that weekend. We are working out a way to have a predictable amount going to our outside tithing efforts, and to spread our tithing support of Saint’s Place evenly throughout the year, so that both Saint’s Place and charities we tithe to will be able to budget our support. More details will follow. Step one: Please help us with our adult Jesus Tree. Where do you love like Jesus? I think the information will be an eye opener and inspiration for us all!

Happy birthday, Church! Fr. Bob

### Sunday Communion Service - May 31

The Highlands: Darlene Huver  
Heather Heights: Dick Lenio
No Babbling Here

Ordinarily, the lectionary simply offers us one set of readings on a given weekend. But for some Feasts, like Pentecost, several choices are offered, both for the Vigil (the anticipated Mass), and for the Feast itself. For Pentecost, one of the Vigil choices (Genesis 11:1-9) helps interpret the 1st reading of the Day (Acts 2:1-11). The Genesis passage relates the story of the Tower of Babel. The plot: when the whole world spoke the same language, humankind began to over-reach, building a huge city, with a tower to reach the sky. Seeing such pride, perhaps headed toward an attempt to supplant God, the Lord confused their language and scattered the people over all the earth. Babbling in different languages, unable to understand one another, the work on the city stopped.

Luke describes the day of Pentecost in our 1st reading as a reversal of the Tower of Babel story. With the Babel events, languages multiplied, limiting different peoples’ efforts to understand one another. On that 1st Pentecost after the Resurrection, folks from around the world, though speaking many different languages, all heard the message of God’s love, of Christ’s death and resurrection, and understood it: in Christ, unity is restored.

In a smaller way, the same miracle happens at Saint’s Place. While the volunteers and refugees don’t often share the same language, the love in action and the Holy Spirit make amazing communication possible. Speak heart to heart, and it is amazing how differences can be bridged!

Flesh & Spirit

St. Paul speaks about living in the Spirit and not gratifying the desires of the flesh in a way similar to John’s Gospel last week, living in the world but not belonging to the world. Neither the world (creation as God first gave it to us) nor the body/flesh/and its desires are the problem. The problem is when sin enters the picture, unleashing evil in the world, and distorting or disordering healthy desires. A healthy appetite to nourish the body turns into gluttony. A healthy sexual desire to ensure the continuation of the species becomes lust. A desire to do one’s best turns into pride. The two lists Paul offers are worth spending time on in prayer. First, as an excellent examination of conscience, leading to a healthy confession. Then, praying for the Lord to help us remove items on the first list from our lives, and then praying for the fruit of the Spirit.

An Opening Prayer

When taking St. Paul’s two lists to prayer, the Advocate can be very helpful. ‘Holy Spirit, Spirit of truth, help me see myself through the eyes of truth, recognizing honestly where and how much I need your help. Help me also see in truth how ready you are to take me as I am, to summon out what I might be, and to help me in my journey of becoming Christ’s love in this world.’

Looking ahead:

“We know that every effort to improve society... is an effort that God blesses; that God wants; that God demands of us.”
—Archbishop Oscar Romero
March 24, 1980

This week, we celebrate Archbishop Oscar Romero of El Salvador, who was declared a martyr by Pope Francis on February 4, 2015, opening the way for his beatification, which takes place on May 23, 2015, in his native El Salvador (at which time he will be recognized as a “blessed”).
Well Done, Good & Faithful Servant

After 17 years serving as our Director of Faith Formation, Sue Payne will be retiring after Vacation Bible School. We will be celebrating her retirement and wishing her well this summer. Watch for details.

REMEMBERING WITH PRAYER AND GRATITUDE

Gracious God, with sadness, yet gratitude, we remember this Memorial Day the men and women who have died in the service of our nation since 1776.

Loving God, please look with mercy on our brave and selfless brothers and sisters, who did not shrink from their task but gave themselves completely to the cause of defending and protecting us all. Bless all who have given their lives for the sake of liberty, and grant them eternal rest.

We remember also our brave men and women now serving in our Armed Forces, both at home and abroad. Lord, send out your angels to protect them all. Help them discharge their duties honorably and well. Please bring them safely home to their families and loved ones.

Please bring Your peace and mercy to our troubled world. We ask this, Father, in the name of Jesus, Your Son, and in the power of the Holy Spirit. Amen.

WE BELIEVE. WE BELONG. WE SHARE TIME AND TALENT. AT ST. LOUIS PARISH AND IN THE GREATER COMMUNITY

St. Louis Parish is looking to gather information on how we all are using our God given gifts/talents at St. Louis Parish and in the greater community. With this information, we hope to focus our tithing on various agencies/organizations so it will better reflect where our parishioners are spending their volunteer time. We invite you to fill out a volunteer information form found in the bulletin, in the pews, or on the website reflecting this information. When you complete this form, please feel free to either place it on the bulletin board in the back of the church or in the collection basket. We hope to gather and have this information compiled by the end of June.

Thank you in advance for this information.

St. Louis Stewardship Council

“I Was Hungry And You Gave Me Food”

Many thanks to all who brought in food last weekend, to help keep the Sister Regis Food Cupboard stocked. If the third weekend of the month doesn’t always work for you to bring in food, at the entrance by the grand piano at the front of church, there is a drawer for contributions to the food cupboard where you can donate any time. There is also a basket in the Narthex near the handicap entrance where contributions of non-perishable food can always be donated.
Do memories of summer camp at Stella Maris bring a smile to your face? Having been blessed, please consider helping St. Louis “pay-it-forward!” Each summer, Camp Stella Maris reaches out to kids who live at or frequent the House of Mercy. Camperships make sharing in the fun possible for these kids who could never attend otherwise. This year there will be 13 children for resident camp and 3 for day camp. However, the kids from House of Mercy literally come with the clothes on their backs.

Help us reach out as a community to the House of Mercy and Camp Stella Maris. With the help of Saint’s Place, we hope to provide the children with the necessary clothing. The St. Louis Knights of Columbus are helping, and a team of Pastoral Care Volunteers will be packing everything to send to camp!

What do we still need?

- Hygiene kits to include: (can be placed in a small Rubbermaid tote)
  - tooth brush and tooth paste
  - soap and shampoo/conditioner
  - deodorant
  - bug spray
  - sunscreen
  - brush or comb
  - little pack of tissues
- New pillows and pillow cases
- New Sleeping bags
- Flashlights and batteries
- Towels and wash cloths
- Sunglasses
- Monetary donations to fill in the gaps (e.g., water shoes [required to go into the lake], snacks, new underwear, etc.)

To make a monetary donation, please send a check made out to St. Louis Church, with Stella Maris marked on the envelope and in the memo section of the check! You can place your donation in the weekly collection basket.

Thank you for the generosity that this parish always demonstrates, especially to those in need. We are also very grateful for so many parish groups pulling together to make this happen. We are blessed indeed! If you need further information, please contact Cris Wensel at cwensel@dor.org or 586-5675, ext. 224.

STEM Education at St. Louis School

Beyond the Common Core

Take your child’s religious education to the next level with St. Louis School. Give them a Catholic education that is dedicated to developing the whole child and goes beyond the Common Core.

At St. Louis, we believe in the importance of a STEM education – one that integrates Science, Technology, Engineering, and Mathematics in virtually everything we teach.

Our STEM-based curriculum engages students with hands-on learning to develop skills needed to analyze and solve real-life issues or challenges. It combines acclaimed STEM practices with other disciplines such as art, music, religion, social studies, and more.

We are developing independent thinkers and well-rounded students who are poised for success in any classroom and beyond. They are ready to shape our world and their futures.

Is your child ready to be engaged and inspired in the classroom? Call us at 586-5200 to learn more or to schedule a visit.

“St. Louis School is a faith– and values–centered community dedicated to providing educational excellence. We provide students with experiences that encourage individuality and nourish the mind, body and spirit. We mix faith with education throughout each day to grow better people, as well as better scholars. And, we generate results as seen in our students’ high test scores.”

Hi Teens,

We are celebrating Memorial Day this weekend. Just as Christ gave His life for us, so many brave men and women have given their lives to protect us and our country. Since 1776, millions of US soldiers have made the ultimate sacrifice.

We can honor them this weekend by remembering, and appreciating the safety and freedom that we all enjoy. We can also offer a prayer for our current soldiers in the military.

Happy Memorial Day!

Have a great week. We hope to see you at some of our upcoming Spring events!!
