Getting and Staying Connected

On this Holy Trinity Sunday, in addition to providing a word about the Father, Son and Holy Spirit, I see another theme in each reading that relates well with events here at St. Louis these days. First, Moses leaves instructions to ensure that those entering the Promised Land remain connected to Almighty God, their faith, and to one another. St. Paul tells us that, through the Holy Spirit, we are all adopted into the family of God, children of one Father. Connected. In the Gospel, Jesus instructs the apostles to make disciples of all nations, baptizing all into one church, one family of God.

This summer, it’s time to update our family photo album, the Parish Pictorial Directory. The Directory is a powerful tool to help build connections. Over and over I hear ‘I know their face, I’ve spoken with them, I just can’t place the name’. Off to the Directory, and there is the face, the name, the family, and a way to get in touch. A Parish Directory is also great for new parishioners, helping them connect to the parish family right from the beginning. The initial pages, with committees and such, is great for inspiring folks to consider joining those involved in one ministry or the other.

Lifetouch has greatly increased their services, which will be tremendously helpful to me and our staff. Linked to Parish Soft, our parish information program, it will make staying in touch much easier. Putting the Directory together is designed to also help us update our parishioner files. All who sign up for a photo session receive a free copy, as well as one high quality family or individual portrait, plus the opportunity to purchase other high quality photos of your choice. It gets even better: there is a mobile app for the staff. The easiest way to sign up for a photo session is on our parish website. You can also call the office. Next week we hope to have folks available after Mass with computers, another way to sign up. YOU ARE an important part of our parish family. Please be sure to sign up for a photo session, so that our family photo album will be complete!

Through the directory process, you can indicate any ministries or committees you are involved with in the parish. Meanwhile, as I wrote last week, the Stewardship Council and Pastoral Council are collecting information about charities, boards, and various ways we volunteer our time and talent outside the parish. Please consider filling out one of the cards in the pew.

Connected as a parish family, we also stay connected to the Word of God. Many already use At Home with the Word, which we distributed in Advent, to have scripture readings for each Sunday in hand. We have The Word Among Us in the narthex, on a trial basis, with articles, readings and the Mass. Help yourself. A little extra in the collection will defray the cost.

Blessing to you all this summer, Fr. Bob

Farewell Instructions
Deuteronomy is the last book of the Pentateuch, those first five books of the Bible considered most holy by our Jewish brothers and sisters. Beginning with the creation stories, the Pentateuch preserves the most ancient memories and stories (the flood, the tower of Babel, etc.), takes us through the time of the Patriarchs, slavery in Egypt, the Exodus, wandering in the desert, while also providing the law given on Mt. Sinai. Deuteronomy is set as the wandering in the desert has come to an end. The next generation, those born and raised in the desert, are about to enter the Promised Land. Moses reminds them of the wonders wrought in his time. He also reminds them of their duty to worship only one God, and to keep the commandments. As you spend time with the text, try to see through Moses’ eyes.

More Than A Letter
Most of St. Paul’s letters are just that, letters responding to a specific problem or situation. Sometimes a community wrote to Paul with questions. At other times, he received word through fellow believers about issues stirring in one of the churches, and he pens a response, offering guidance. The letter to the Romans is a bit different. Paul didn’t found the church in Rome, and though he had met some members of that community in his travels, he writes this letter to set the stage for a visit. He wants them to understand the Gospel he preaches, teaches, and believes. Consequently, Romans tends to be deeper than the other letters. Paul develops his points in great detail, and at length, making it difficult to do justice when we have a short passage. The lectionary (the book which presents the various passages from the Bible that shape our liturgy) can only whet our appetite. Today we hear that the Spirit gives witness that we are children of God, and the Spirit leads us away from fear, and into freedom. Have you ever counted on the Spirit to allay fear? When afraid, praying to the Holy Spirit is well advised!

That’s Where It Came From!
Our prayers, the sacraments, our liturgical practice are all rooted in the Bible, at times, word for word. For instance, we believe only by using the exact words Jesus commands in today’s Gospel, “In the name of the Father, and of the Son, and of the Holy Spirit” is a person validly baptized.

Mark your calendar!
Fr. Carlos Sanchez will celebrate his first Mass as priest at St. Louis church on Sunday, June 21 at the 11:00 am Mass.
The Mass will be followed by a reception in Reddington Hall Gym to honor his ordination.
All are welcome.

Shout with joy to the Lord, all the earth; break Into song; sing praise. Psalm 98:4

All are welcome to spend an hour this June 5, for First Friday Exposition of the Blessed Sacrament between 11:30 am - 4:30 pm.
In the 1990's Fr. Protus Hamisi served as an assistant priest here and established a strong friendship with our parish school. Knowing the vital role education plays in improving the lifestyle of poor communities, Father and our own parish school together established the St. Louis Saisi Primary School in Kenya. When then Principal Kathleen Carroll visited to learn what could be done to help, she found a one room, dirt floored school house. Proceeds from school mission days here on our campus and other fundraisers have replaced the dirt floor, and added many other needed items.

  - **8 door student bathrooms** were added
  - **Library facility** is in place and 3 door bathrooms are under construction.
  - **Water pump** is on the school grounds

**Current Needs:**

- **$8,125** – Construction of one classroom (Needed as there is overcrowding in Grades 6&7)

Father Hamisi and the St. Louis School Community in Kenya have appreciated ALL the support over the years. The lives of the children and the livelihoods of the people around the school have flourished.

**Mirembe** (Peace) to all their friends at St. Louis School and Parish in Pittsford, N.Y.

It is easy to say “Here I am, Lord” when we are kneeling in church. Can we just as easily respond “Here I am, Lord” when we go home, when a neighbor needs our help, when a fellow parishioner asks us to join a committee, or when we are asked to give from our finances? These are exactly the places Jesus us calls us to be. Let’s pray for the grace to respond!

Camp Stella Maris Alumni & Helping Kids in Need!

Do memories of summer camp at Stella Maris bring a smile to your face? Having been blessed, please consider helping St. Louis “pay-it-forward!” Each summer, Camp Stella Maris reaches out to kids who live at or frequent the House of Mercy. Camperships make sharing in the fun possible for these kids who could never attend otherwise. This year there will be 13 children for resident camp and 3 for day camp. However, the kids from House of Mercy literally come with the clothes on their backs. Help us reach out as a community to the House of Mercy and Camp Stella Maris. With the help of Saint’s Place, we hope to provide the children with the necessary clothing. The St. Louis Knights of Columbus are helping, and a team of Pastoral Care Volunteers will be packing everything to send to camp!

What do we still need?
- Hygiene kits to include: (can be placed in a small Rubbermaid tote)
  - tooth brush and tooth paste
  - soap and shampoo/conditioner
  - deodorant
  - bug spray
  - sunscreen
  - brush or comb
  - little pack of tissues
- New pillows and pillow cases
- New Sleeping bags
- Flashlights and batteries
- Towels and wash cloths
- Sunglasses
- Monetary donations to fill in the gaps (e.g., water shoes [required to go into the lake], snacks, new underwear, etc.)

To make a monetary donation, please send a check made out to St. Louis Church, with Stella Maris marked on the envelope and in the memo section of the check! You can place your donation in the weekly collection basket.

Thank you for the generosity that this parish always demonstrates, especially to those in need. We are also very grateful for so many parish groups pulling together to make this happen. We are blessed indeed! If you need further information, please contact Cris Wensel at cwensel@dor.org or 586-5675, ext. 224.

Sunshine Luncheon Thank You!

A heartfelt thank you to everyone who helped me make this year’s Sunshine Luncheon a huge success. It’s always so rewarding to see our guests have a wonderful time, and leave with smiles and a song in their hearts. They look forward to it every year.

A shout out to a few angels that have given continuous support to the luncheon for many years; they are what keeps it going, year after year: Jo Petcoff, Rosemary Scholl, Sis Murphy, Marge Mancini, Joan Eisenhart, and Lillian Jabbour.

Also, a very special thank you to my school liaison, Janet Paris, for making all the arrangements for the children as well as art and music. Sadly this was Janet’s last year. And as always, Sally Schrecker for overseeing everything and making it run smoothly.

Thank you to all! Lisa DePalma, chair person

**St. Bernard’s School of Theology and Ministry Hosts Young Adult/Adult & Community Education Parties!**

Our “Garden Party” Series is an opportunity for Adoration of the Blessed Sacrament, quality theological reflection and catechesis, and fellowship and hospitality. *Upcoming Event: June 4 - “An Evening of Adoration and Refreshment”; in partnership with the Dept. of Evangelization and Catechesis (Catechetical Ministers and Youth Ministers Invited); Adoration and Preaching - Fr. Dear St. Louis Parishioners,

The old saying, “When life gives you lemons, make lemonade” is very appropriate for our current situation with Vacation Bible School. Several circumstances and situations have led to making the decision to cancel our Vacation Bible School program for this year.

Our church “summer calendar” is extremely full. We have the Saint’s Place sale, Picture Directory, St. Louis School establishing their “STEM” program and regular summer maintenance of the parish buildings, specifically Reddington Hall gym. These prioritized programs left only one available full week to host VBS, late in July.

As we began recruiting former adult leaders and teachers, we learned that this week was not compatible with their schedules. Our efforts to recruit new volunteers has not been successful. So sadly…. No lemons, No lemonade!

Change under any circumstances is difficult. Our hope is that taking a break from VBS this year will help us bring new and refreshing enthusiasm to the program. We will strive to work with volunteers to find a week that is compatible and rewarding for all.

Thank you for your understanding and cooperation! We wish you a blessed, safe and fun-filled summer with your families!

God Bless,
Sue Payne

Hi Teens,

We are only a few weeks away from wrapping up our youth group meetings for the year. What a great year it’s been. We’ve prayed together, played together, laughed together and supported each other during difficult times. We enjoyed many enlightening experiences to include team building at Camp Arrowhead, volunteering at St. Louis and Bethany House, our annual overnight youth group retreat, many interesting guest speakers and quiet reflection times in the church.

We’ve all grown a lot in our faith and in our relationships with each other. Definitely something to thank God for.

Join us for are last two meetings of the school year to reflect on the past year, share ideas for the future and hear about some great opportunities over the summer.
