The Family Table

As I was growing up, and into college, providing family holiday dinners was my grandmother’s preserve. Others might bring a dish, but she prepared the main course and the heart of the feast. When she was no longer able, mom took her place; then my sister Linda, and now, my niece Angela.

Last weekend I mentioned that pillars of the parish, folks very involved in ministries, who insured there was a table, provided for the table and sometimes even set the table; each year some of these wonderful, generous good stewards go home to God. Who will step into their roles? Meanwhile, others are beginning their relationship with the parish, not yet ready for that kind of commitment, but beginning to grow in commitment. We can and should always be moving to deeper levels of discipleship. But periodically, as community, we need to step back, ask the question, and encourage one another. We’ve done that in a formal way here about once every three years. It’s that time. Last week we began that community look at stewardship.

The Finance and Pastoral Councils are aware that we are doing this the same time the Catholic Ministries Appeal is underway. Perhaps that can make it clear, discipleship involves belonging to and supporting a parish, but also belonging to and supporting a diocese. That ongoing, sustained support mentioned last weekend. To assist us all with the financial support side of the stewardship story, we have giving guides to provide a bit of guidance. Asking for a commitment next weekend is not to force the issue, but an invitation to move to a deeper, more intentional commitment. Some will be ready, others may not be there yet. It is OK. Most important is praying about a next step in our own journey.

For the ‘stewardship of time and talent’ aspect of the journey of faith, we’ve been working hard on a couple of aids. The State of the Parish report will review some of the accomplishments in the past year, giving a clue to life in the parish, and how one can be a part of the action. We will also be making available a folder with all of the ministries and opportunities for involvement briefly described, including information on who to contact. Listen for more ministry minutes, and watch for more ‘In their own words’ articles in the bulletin as well. As the Stewardship Prayer puts it:

Dear Lord, Teach me to be generous as You have been generous with me. Teach me that all I am and all I have are gifts from You, and that these gifts are meant to be shared. Reveal to me the joys of generosity. Help me understand that others, perhaps unknown to me, depend on my assistance. Keep me mindful that as Your disciple, I am called to be a “Good Samaritan” and to share the “Good News” with the world. Make me a gift to others in your name. Amen

Peace, Fr. Bob

Sunday Communion Service - November 20
The Highlands - Jim Haefner    Heather Heights - Mary Ann Monley
**The Word of Life**

**Thirty-Third Sunday in Ordinary Time**

1st Reading: Malachi 3:19-20a  
*The sun of justice will arise*

2nd Reading: 2 Thessalonians 3:7-12  
*Don’t mind other’s business*

*Signs and wonders*

---

**The Day of the Lord**

Our first reading is from the book of Malachi, the last of the 12 Minor Prophets, the last book in the Old Testament. It is a short book, and the passage we hear is brief. Malachi tells the people that a judgement day is coming, a day of the Lord, and that they should turn back to the Lord with all their hearts. Fire and judgement often go hand in hand in the scriptures. But just as water can either make the fields fruitful, can quench our thirst, and be life-giving, or can cause flooding and drowning, so too, with heat and fire. For the unjust, for evildoers, the fire of judgement will reduce them to stubble, like an oven. For the righteous, it will be like the sun on your face on a warm day: *there will arise the sun of justice with its healing rays.* The fire of judgement, the fire of love.

As we approach the end of the liturgical year, Malachi urges us to think of the last days, and of our last days.

**Troubles in Thessalonica**

In the first years after Jesus’ death and resurrection, early Christians mistakenly assumed that Christ’s return was imminent. They were certain he would return in short order to bring an end to the world as we know it, and inaugurate the Kingdom of God. Apparently some of the believers in the church in Thessalonica concluded that if the world was coming to an end any day, why hold down a job? After all, everything will be swept away and transformed any time now, let’s just wait. Meanwhile, we can just depend on others for food and our basic needs during this short interlude. No wonder a letter was needed to set such folks straight. The letter couldn’t be clearer: if you don’t work, you don’t eat. Not only were some not earning their keep; they were being busybodies. ‘Idol hands are the devil’s workshop’ would fit perfectly with Paul’s message here!

**Looking Back**

There are multiple examples in the Gospels of Jesus foreseeing the destruction of the Temple in Jerusalem. By the time Luke wrote his Gospel, he could combine those premonitions with what actually happened in 70 AD when the Romans destroyed the city and the temple. Visit Jerusalem today, and you can see the gigantic ashlars (carved stone blocks) strewn around like children’s blocks dumped on the floor at the base of the Temple Mount. Luke weaves together the memory of the destruction, with apocalyptic notions of the end of time. Yet while offering vivid ideas of what will happen, he counsels not to be led into thinking you know when the last days will come. Rather, be patient, faithful and “*By your perseverance you will secure your lives.*” That has been sound advice ever since.

**Our Lord Jesus Christ**

**King of the Universe**

1st Reading: 2 Samuel 5:1-3  
*David is anointed, king to shepherd Israel*

2nd Reading: Colossians 1:12-20  
*He is image of the invisible God*

*You will be with me in Paradise*

**Are You More “Mercy Minded?”**

This program is **this Tuesday, November 15 at 7 pm at St. Louis Church**

Please join Fr. Jacek Mazur and Rick Paolini on Tuesday, November 15, where we will look more deeply into the significance of God’s mercy in our world and in our lives. We are called to be “mercy minded” not for just for one day or one year. Whether you are a student of The Divine Mercy Devotion as revealed to St. Maria Faustina by Jesus or not, you will not want to miss this presentation “*Divine Mercy a Way of life.*” For more information call 586-5675. (rescheduled from Nov. 9)
Many Thanks!
Our Catholic Ministries Appeal is not only out of the gate, but almost half way around the track! A huge thank you to everyone who has thought about the importance of these ministries, the lives that are touched, and has consequently made a pledge. The challenge now is to continue running to the finish line, our goal. We would love to have 100% participation. If you haven’t seen the video yet, check it out on our website, www.stlouischurch.org, pray, and please make a pledge. You contribution will do a wonder of good around the diocese, and here as well.

Next Week’s Tithing Will Support
Sister Regis Food Cupboard

The Sister Regis Food Cupboard was named for Sister Regis Straughn who started the food cupboard in 1965 at Our Lady of Mount Carmel on Woodward Street in Rochester. Several years ago the pantry, serving the Northeast neighborhood of Rochester, moved to its current location on Bay Street in the same building as Matthew’s Closet.

- The pantry serves approximately 963 households in a month. Many who come are receiving public assistance for the first time. Eligible clients can visit the Food Cupboard once a month on a walk-in-basis. Prospective clients must bring criteria such as identification cards for each family member, financial income information, etc., for proof of eligibility. The cupboard is open Monday & Tuesday from 12-3pm and Thursday from 12-2 pm.

- Mercy Sister Julia Norton is the director of the Sister Regis Food Cupboard, and she very much appreciates our help to meet the needs of those experiencing tough times in Rochester. Thank you for your continued generosity and prayers for the clients and volunteers of the food cupboard.

To learn more of many volunteer opportunities such as stocking the shelves, or taking care of the clients, cleaning and doing the necessary business and secretarial work, contact Sister Julia at (585) 454-6766. If you would like to assist with delivering the food collected at St. Louis for the Sister Regis Food Cupboard, please call the Ministry Center: (585) 586-5675.

Support the Collection for “The Archdiocese for the Military Services” This weekend November 12 & 13

Serving Those Who Serve!
A Special Collection for “The Archdiocese for the Military Services USA” is held once every three years. This collection offers each of us a substantial way to "serve those who serve." Funds raised will help the Archdiocese for the Military Services bring the Church’s full range of pastoral services to the men and women in uniform as well as their families and patients in the nation’s VA Medical Centers. They will support religious education in remote locations, priestly formation of new chaplains at a time of critical shortage, and financial planning to meet the challenges of shepherding a global archdiocese that is present wherever U.S. military personnel are stationed. Please support this cause and our troops! Make checks payable to St. Louis Church with Military Services in the memo/notes field.

To benefit Saint’s Place, our St. Louis ministry that helps legal refugees resettle in the Rochester community with warmth and compassion.

Parking available at the Hart’s & 2 Vine lot. Please do not park in the 1-hour spots.
Dear Patron Saint:

We take so many things for granted in our country. We have homes with running water, homes with electricity, homes with food and furniture and clean beds to sleep in at night. Many of our legal refugees who come to Rochester arrive with the shirts on their backs and nothing more. They come, however, with hope in their hearts for a better future for themselves and their children. They have been victims of unimaginable suffering in their home countries and lived in overcrowded and dangerous refugee camps for years. They want to feel safe, have a better life and the knowledge that they do not have to live in fear.

Since its inception, Saint's Place has always "Welcomed the stranger." This past fiscal year, Saint's Place has assisted a record number of 950 refugees! We provided them with clothing against our bitter Rochester winters and furnished over 300 apartments with household items, new beds and furniture. We tutored over 100 refugees every week to learn English and enable the children to excel in their school assignments. All of this happened because of your generosity and concern for the refugees.

This year, I need your help with a very specific request. Our truck, which helped more than 5,000 people in the past eleven years, is in rapid decline. We must replace the truck with a new vehicle. The cost of a new truck is $35,000. The truck, as you know, is the heart of our Ministry delivering furniture, household goods, beds and mattresses to the refugees in addition to picking up hundreds of furniture donations from the generous community of Rochester. We have heard from the refugees and their neighbors that when the white truck with the big logo of Saint's Place arrives in front of the apartment, it is a symbol of hope for all. The content on our truck guarantees that a dark apartment will soon be converted into a warm welcoming home. It means so much to them.

Please help us with this very important purchase. May God bless you for your kindness and know the deep gratitude the refugees and Saint's Place have for your Patron Saint Gift.

Sincerely, Isabel Miller, Executive Director

November is the perfect month to practice being grateful for all of life’s blessings—big and small. Gratitude helps us enjoy, appreciate, and be more satisfied with our lives. So this November, get your family started on a journey to become more grateful. It’s about giving back and reaching out! Check out some ideas below for you to do as a family or a neighborhood.

Have a neighborhood food drive. Donate the food to a local shelter or food pantry. Be thankful that you are able to provide food for your family.

Instead of having flowers as a centerpiece on your Thanksgiving table, create a centerpiece by filling a grocery bag with nonperishable food. Decorate the grocery bag. After Thanksgiving, donate the bag of food to a local food pantry. Be glad that you can be part of a community of caring individuals.

Make Appreciation gifts for teachers, police, firemen, paramedics or other special people in your life. Include a short card or note telling them why you are thankful for their help and guidance. It’s wonderful to learn from a caring mentor. Thanks to all of our heroes who help keep us safe when we are in need.

Create hygiene kits to donate to local shelters or the American Red Cross Disaster Relief Program. Be thankful that you have a warm and safe home to live in.

Create a special care package for a soldier overseas. Tell them how much you appreciate all of their sacrifice and dedication to our country.

Visit a Veterans Hospital. Show them that you appreciate their service, even after it had been completed, by collecting toiletries items.

Write a card or letter to a veteran or soldier. Thank them for their service to our country.

Be grateful for your freedoms.

A warm welcome to Lorrie Fairey, the newest member of our staff. Lorrie is part of the Faith Formation team serving in the role of office administrative assistant. Lorrie is recently retired from her previous career but didn’t let grass grow under her feet. She’s on to ministry! We are blessed to have her as part of our parish family. Please be sure to say hello to her on our Faith Formation days!

Throughout the rest of November, Faith Formation children will be collecting toiletry items to support the collection drive of the St. Louis Knights of Columbus. All items collected will help support Saint’s Place and our refugees. We are collecting: toothpaste, toothbrushes, deodorants, soaps, razors, shaving cream, shampoo, body wash and cleaning supplies, dish soap, laundry soap, etc.

A box for items collected will be in the gym on both Faith Formation nights. You may also put items in the drawers marked “Saint’s Place” in the cabinet inside the north (bell tower) entrance of church. Just a few things from each family will make a HUGE difference in the life of another family. Please contact Michelle Andrews-Smith at mandrews-smith@dor.org if you have any questions.
Thanks to ALL who helped with the Mass and reception, as we celebrated All Souls’ Day, and in particular, remembered those who have been buried from St. Louis in the past year." May they and the Souls of all the Departed rest in peace.

Unwrap That Gift!
The Bible, God’s Word is a tremendous gift to us. Don’t leave it sitting unwrapped! How do we unwrap it! Pick up your copy of *At Home with the Word*. You know how you make sure a gift from someone you love is in a special place? Put *At Home with the Word* in a special place. Before November 27, spend time with the readings for the 1st Sunday of Advent. Unwrap and enjoy God’s gift!

*Blessed is the man who trusts in the Lord, Whose hope is the Lord. Jeremiah 17:7*

At this time of year, we all seem to receive unsolicited calendars from charities, home services, etc. Rather than throw them out – please save them for Saint’s Place to be part of our household setups for refugee families. They are happy to receive a calendar. The calendars can be put in the Saint’s Place drawer in the north entrance (piano side) of church. Thank you!
