10 REASONS TO MAKE A GIFT TO THE CMA

Your Catholic Ministries Appeal gift, joined with thousands of others around our diocese, is an investment in the future: the future of our church. Each contribution is also an investment in our own future, as we put our faith into action. What will our contribution do?

- Fund ministries that nurture children and teen-agers in the Catholic faith and teaches values they’ll carry into adulthood.
- Help pay for the proper education of our seminarians on the road to priestly ordination
- Ensure we can help struggling families find their way through economic crisis and back to stability
- Prepare engaged couples for God-centered marriages rooted in the Catholic Church
- Educate and prepare those who wish to become Catholic for the fullness of life in the Church through RCIA
- Enable us to promote Catholic values about the sanctity of all life and make our voice heard in society
- Fund programs that give young adults on college campuses a connection to the Church.
- Provide important services to your parish that it would find difficult to afford on its own
- Support ministries that reach out with the hands and heart of Christ to the aged, the sick, and the imprisoned
- Help fund the crucial work of Catholic Charities, which serves more than 250,000 people annually

Do you see the corporal and spiritual works of mercy in these 10 great reasons? By the end of the upcoming Year of Mercy, connecting the dots between the ministries of our diocese and the 14 works of mercy will be a snap! Please make a generous pledge to the CMA this year. Peace, Fr. Bob

**Sunday Communion Service - October 25**

The Highlands: Pete & Gerry Shea       Heather Heights: Doris Wilmot
The Lord’s Servant
Our first reading this weekend is the 4th Servant Song in Isaiah. Even as Isaiah was wrestling with the crushing affliction of the Babylonian Exile, the Lord inspired him with hope. God helped Isaiah see that, for the descendants of David, losing the throne would ultimately be a path from sin and its consequences to mercy far beyond anything they or the exiles could imagine. Having expected Jesus to enter Jerusalem and re-establish the kingdom, only to then see him condemned and crucified, the disciples searched their scriptures for understanding. The servant songs in Isaiah provided profound insight into the paschal mystery, and the rest is history. We are called to die and rise with Christ, so God isn’t finished using this passage to help folks understand infirmity and suffering. Pray with it for a while!

Tested in Every Way
Our second reading this weekend can be very helpful to our relationship with the Lord. Think about how you pray. How would truly believing that Jesus has been tested, just as you are, change the conversation? Would truly believing that he can sympathize with our weaknesses open up any new doors in prayer? In his earthly life, Jesus did feel the allure of evil, know temptation. When we experience temptation, when we are painfully aware of our own weakness, we can talk it over with him!

Try Some Humility
Last week’s first reading alluded to Solomon’s humility in praying for wisdom. Apparently John and James needed another lesson. Rather than asking for the gift of humility, they approach Jesus looking for glory. Jesus’ response ties beautifully with our 1st reading from Isaiah. The cup these two believe they can drink from? It’s the cup of suffering, and they will share it. The baptism, likewise. But first they need to let go of the need to be first, and discover how service is the true path to fulfillment. Reread the Gospel, and hear Jesus asking you: “Can you drink the cup that I drink or be baptized with the baptism with which I am baptized?” Then consider. You have been baptized into his death! And every time you come to communion, you are offered the cup from which he drank!

Looking ahead:
Thirtieth Sunday in Ordinary Time

1st Reading: Jeremiah 31:7-9
I will lead them to brooks of water
2nd Reading: Hebrews 5:1-6
You are my son, a priest forever
Gospel: Mark 10:36-52
Go your way, your faith has saved you!

St. Louis CYO Basketball Registration is Open and Ends on October 18
Visit our website: http://cyobasketballstlouisparish.com/

St. Louis Church with its CYO basketball Program is committed to providing a ministry that helps bring youth to their full human potential. The Catholic Youth Organization provides opportunities for young people to develop strong moral character, self-esteem, and leadership qualities through activities of a social, educational, recreational and athletic nature. Grades 3 thru high school.
HIP is a “coalition” of local faith groups and one civic organization, formed in 2001 to assist Flower City Habitat for Humanity (FCHH) in their mission of “... making decent shelter a matter of conscience and action.” FCHH invites people of all backgrounds, races, and religions to build houses together in partnership with families in need of decent and affordable housing. These new home owners are required to put in 450 hours of sweat equity in their own and other Habitat housing projects. Joining St. Louis Church in the HIP coalition are: Christ Episcopal Church, First Presbyterian Church of Pittsford, Islamic Center of Rochester, Mount Olivet Baptist Church, Saint Paul’s Lutheran Church, Temple Sinai of Penfield, and Pittsford Rotary. Our coalition raises the funds needed to purchase the construction materials and provides the construction volunteers. Our build in 2016 constitutes HIP’s 6th house since 2001.

Visit [http://www.habitatinterfaithpartnership.org](http://www.habitatinterfaithpartnership.org) for history and photos of our builds including the 200th build for FCHH in 2013. (see page 5)

We aren’t born with the gift of being good stewards. It is learned behavior. Have you been blessed with good stewardship teachers? Then pray about joining our Stewardship Council. Our next meeting is November 11, at 7:00 pm in the Ministry Center. You are invited. Pay it forward!

I Can’t Make Every Session
Did you know that if you can’t make every session of the studies on Prayer, Mary or the Scriptures, you can get the session online? Who knew?

Seven Days of Creation
Third Day of Creation: Creation of seed-bearing plants and fruit-bearing trees.  *Genesis 1:9-13*

The God of life gave us seed-bearing plants and fruit bearing trees that provide food, shade, and oxygen, as well as great beauty and habitats for birds and other animals. They play a vital role in absorbing carbon dioxide from our atmosphere and are critically necessary in climate balance, as well as soil conservation. “We were not meant to be inundated by cement, asphalt, glass and metal, and deprived of physical contact with nature.” (Laudato Si: On Care for Our Common Home  Chapter IV, 44)

This week, if possible, plant a small seed or plant in your yard. Under Trees at Arborday.org find photos of trees, flowers and vegetables for our plant zone. Pray about this!
Respect Life: Children and Families in Poverty

Thank you for signing the letter this weekend from the Public Policy Committee of the Diocese of Rochester.

We are calling on Governor Cuomo and the leaders of the Assembly and Senate to invest an additional $172 million in child care funding in the 2016-17 State budget. This will help low-income working parents find quality child care for 13,000 children. When this becomes a reality, these children, their parents, the employers, and all of us in New York State will benefit.

2ND COLLECTION THIS WEEKEND FOR WORLD MISSION SUNDAY

World Mission Sunday is the annual day for prayer and sacrifice when all Catholics in the United States are joined with Catholics throughout the world in a common effort to sustain the missionary vitality and growth of the Church. This year's celebration is further enriched as we mark the 50th Anniversary of the Second Vatican Council's Decree on the Missionary Activity of the Church (Ad Gentes) which proclaims: "The pilgrim church on earth is missionary by its very nature," thus reminding us that we are all called to be missionaries for Jesus Christ.

In his message for World Mission Sunday, Pope Francis writes: "Mission is part of the 'grammar' of faith, something essential for those who listen to the voice of the Spirit who whispers 'Come' and 'Go forth.' Those who follow Christ cannot fail to be missionaries...." Pope Francis also urged those gathered for the closing Mass of the World Meeting of Families to serve and care for each other as freely as God loves the human family.

I urge you to serve your brothers and sisters in the developing world with the same generous support that you always have given in the past.

Renewing my deep gratitude and assuring you of my prayers, I remain Sincerely yours in Christ,
Salvatore R. Matano, Bishop of Rochester

Women of St. Louis

Have you ever wondered if you have a problem with alcohol? Has anyone ever told you that you should seek help? There is a Women’s group at St. Louis who meet once a month to deal with this issue and offer support. Call Fr. Bob (586-5675) for a meeting time and place.

St Louis Council Knights of Columbus Charity and Benevolent (C&B) Drive
October 24 & 25 after All Masses
$1.00 a ticket/$10.00 a book.

Stop by and help out our Council drive for Charity. Tickets are $1.00 each or a book of 12 for $10.00. After the winners are drawn, proceeds from this Charity go to the State Council Knights of Columbus, which in turn are directed to each Bishop in each Diocese within New York State. C&B also helps Vocations in New York as well as supporting The New York disaster relief along with Coats for Kids and Food for Families in New York State. This is another way the Council is giving back to not only our Church, but also to the Rochester Diocese and our communities. Please come and support this very worthwhile drive that benefits everyone.

HABITAT INTERFAITH PARTNERSHIP
REBUILDING NEIGHBORHOODS – ONE HOUSE, ONE FAMILY AT A TIME

This coming year (2016) our Habitat partnership will be building its 6th Habitat house since 2001. Where once substandard housing was prevalent, healthier neighborhoods are being created. Healthier neighborhoods, which research confirms, foster more stable families and an improved atmosphere for children to grow and learn while reducing the incidence of illegal drugs and other crime.

Habitat volunteers build houses in partnership with (not for) needy families who desire a decent and affordable home. To qualify applicants must have incomes significantly lower than the Rochester median; must perform 450 hours of “sweat equity” volunteer service building houses, including their own; and ultimately, must pay a zero interest, no profit, mortgage. The mortgages provide a steady stream of revenue to help finance the construction of new homes or the rehabilitation of existing ones. Required classes aid in transitioning families from renters to homeowners and good neighbors who are invested in and involved with their communities. The program provides a “hand up” instead of a “hand-out.”

Early in 2016, a call will go out at St Louis for the many volunteers that will be needed to physically assist with construction of HIP’s next house. Right now there is need for a few people to assist with pre-construction planning and management of St. Louis’s participation, including the our annual fund raiser, the Thanksgiving Pie Sale. If you would like to be involved with these early efforts and or the Pie Sale, please contact Bob or Rosemary Scholl (call: 381-3760; or reply by email: schollroch@gmail.com).

We begin with the Rosary at 6:45 PM and a business meeting following at 7:00 PM. Our agenda includes our Charity and Benevolence (C & B) drive after all Masses on Saturday Oct 24 and Sunday Oct 25.

Please stop by and help our Council drive for Charity. Raffle tickets are $1.00 each or a book for $10.00. Look for the Family I CON and Pray Service in the near future which you no doubt saw when Pope Francis was in NY and PA.
