### Guided in Love
Our Jewish brothers and sisters often appreciate more than we do that the Commandments, God’s Divine Revelation, teaching that we find in the scriptures – are precious, priceless gifts from God. They lead to life. Speaking to folks who had been refugees, wandering in the desert, Moses promises that if they observe what the Lord teaches, they will no longer be strangers in an alien land. They will be at home in the land God gave them. In a world where justice was a rare commodity, Deuteronomy points out how just God’s statutes and ordinances are. Others will see justice in action, and know it is from God. The commandments and ordinances are also rooted in wisdom, and those who observe them will prove themselves wise. Most importantly, it isn’t just about justice and wisdom. Observing God’s teaching leads us so close to the Lord, our God, that we will be amazed, and so will others. Read the passage a few times. Let it tweak the way you see the commandments, so that you can appreciate them as a priceless gift.

### Introducing James
This weekend we begin, and over the next five weeks we will continue hearing from the Letter of James. This Epistle weaves pastoral practice, prophecy and teaching together, to help Christians embrace a courageous faith that will help us cope with life’s trials and challenges. There is much practical advice for day to day living. For instance, today the epistle invites us to humbly welcome God’s Word, and be doers of the Word, not just hearers. What might humbly welcoming God’s Word look like? Hint: do I approach the Word so that I can be clay in God’s hands, to mold and shape me, or do I look at the Word as something I apply to others?

### Blessed Are the Pure of Heart
There were good Pharisees, who had pure hearts. They wanted to do what was right and observe God’s teaching. But at times, some of them were so concerned not to cross the line, that they ‘built a fence around the law’. What does that look like? If it is necessary for the priest to wash his hands before offering a sacrifice in the Temple, then everyone should wash their hands before eating, just to be safe, and not get close to breaking a law (it wasn’t about hygiene, it was about ritual purity). Such an approach isn’t bad in itself, but it can lead to being too wrapped up in externals, in what other people see. Morality, goodness really start, not on the outside, but on the inside. Want your relationship with Christ to grow? Talk over with him in prayer, or in your journal, how things are going inside.

This Week’s Tithing Will Support Saint Joseph’s Neighborhood Center

Next Week’s Tithing Will Support St. Damien Pediatric Hospital, Haiti

Located outside Port-a-Prince in the poorest country of the Western Hemisphere, St. Damien Pediatric Hospital with its outreaches gives medical care to 90,000 patients annually. It is Haiti’s only children’s hospital and only hospital free of charge to the indigent. Our parish friend Father Rick Frechette, Passionist priest and medical doctor, has brought it from a small hospice 28 years ago to the state of the art facility it is today with an operating budget of $5.2 million covered primarily by private contributions from around the globe.

Not only does St. Damien’s treat 15,000 sick children who come to the hospital annually with HIV/AIDS, cancer, cholera, TB, malnutrition, premature births, pneumonia, severe diarrhea, etc., but it also trains Haitians to become medical doctors. (Six residency program grads this past year.)

Next week’s parish tithe of $1,000 will cover a child's emergency visit plus 1 week of his/her critical care.

Additionally, St. Damien provides employment for 536 Haitians – a plus to the area economy. Especially at this terrible time of political unrest, please pray for the safety of all who serve and are served at St. Damien Pediatric Hospital and its outreaches. Information about St. Damien Hospital can be found at www.nphusa.org/stdamien, and about Fr. Rick, please Google: New York Times – "Rick Frechette"

Please reserve the date: Friday, October 20 for a private screening of a new Haiti documentary featuring St. Damien Pediatric Hospital. Tickets available from Marcia Mendola 381-6872 and online at the St. Damien website. ($30 for Little Theatre show plus $20 for benefit concert at East End Pub)

Can’t attend Oct. 20 Event? Donation envelopes are always available in the church narthex under the mosaic of Our Lady.

Meanwhile: The delicious Powers Farm CORN will be available for a donation after all masses here next weekend (see pg. 3.)

BETHLEHEM WOOD CARVING

Our friend Louie from the Holy Land will be back again to our parish on behalf of the Catholic Christian artisans of the Holy Land on Sep 15 & 16.

For centuries, the Christians of Bethlehem district have earned a living by carving olive wood religious art to sell to visiting pilgrims. Fewer pilgrims are journeying to the Holy Land today, making difficult for Christian artisans to support their families by dignified work of their hands in the land of Christ’s birth. Because of the lack of work, there has been a dramatic rise in Christian emigration from the Holy Land. They are now less than 2% of the population in the Holy Land.

Since the start of its mission, Bethlehem Wood Carving has helped hundreds of struggling families. Louie through his own experience as founder has worked to make it possible for the Catholic Christians in the Holy Land to maintain both their livelihood and their ancestral homes in the land of Christ.

Your purchase will make a difference in the lives of many Christians!

We gladly accept all major credit cards, checks & cash.
CYO Basketball Seeks Players From Grade 3 to 12!

St. Louis has a terrific program for youth in grades 3 through 12 for boys and girls. The CYO Basketball Program starts in October and runs into February. It is a program whereby teams will play other parishes throughout the Diocese. This is a program primarily for parishioners and St. Louis School families. Non-parishioners are allowed to play when the need arises to round out a team, and may make up only 1/3 of a team’s roster.

Games will be on Saturdays and Sundays (dates and teams TBD).

Our philosophy is to learn the game, teamwork, sportsmanship, as well as have fun. There are no cuts as everyone has an equal opportunity to enjoy being involved.

We need coaches, managers, team parents & volunteers to work with the young people as well as help in the administration of the program. Please contact the Faith Formation office at pstlouisff@dor.org if you would like to become involved in this exciting ministry.

Philosophy

Our philosophy at St. Louis is that athletics and recreation are important to the well-being of the person. Sports and competition can help us to grow into a better person, but we must always put people before competition. We do not have any team that requires making cuts or limiting the participation of many in favor of the few. We recognize the competitive world our young people are raised in, and we believe that our Church must be a safe haven where kids and youth are free to play and enjoy, and where families can refresh.

It is with great pleasure that our parish provides constructive opportunities that lead to positive youth development through CYO Athletics. It is our mission to provide a program that emphasizes the proper ideas of ethical conduct and sportsmanship. We want to offer all children in the parish and school the opportunity to develop their spiritual, emotional, and physical well-being as a team player. We emphasize that an athletic event is "just a game" and we provide coaches and adult role models who instill the proper respect, courtesy, and leadership that our young people need and deserve.

Together, the parish, young St. Louis players, and all our generous volunteers will work together to build a program we are proud of and is worthy of the St. Louis name!!!

CYO Registration is OPEN!

Beginning Experience of Rochester Weekend for Widowed, Separated, or Divorced

Beginning Experience (BE) is an international peer support ministry for widowed, separated, and divorced adults. The weekend program helps participants deal with the natural grief process and offers an opportunity, through God, for dealing with the pain of loss and moving into the future with renewed hope. Our next weekend program will be held at the Notre Dame Retreat House overlooking Canandaigua Lake, October 5th-7th, 2018. For more information, please contact BE at (585) 987-1750 or visit www.beginningexperiencerochesterny.org.

Saint’s Place Tutoring Program Orientation

The Saint’s Place Tutoring Program for legal refugees will begin tutoring for the 2018-2019 school year on Mondays beginning Sept. 17th at 4:45pm at the old Guardian Angels School which is now part of the Marianne Cope tri-parish at 2061 E. Henrietta Rd; and on Thursdays beginning Sept. 13th at 4:45 pm at the Greek Orthodox Church of the Holy Spirit at 835 South Avenue. Both programs end at 6 pm.

There will be an orientation and training session at the St. Louis Parish Meeting Hall beginning at 5:00 p.m. on Thursday, September 6th.

The Orientation is mandatory for new tutors and optional for returning tutors. There is always something new to learn and a refresher is often beneficial. Our returning tutors always have helpful insights to add that benefit both our old and new tutors. Teens, college students and adults of any age are welcome to tutor. The orientation should last about one hour followed by pizza and refreshments.

This experience will enrich your life as well as your students!

If you have any questions contact: Geri Dolan at gdola45@rochester.rr.com or 278-8244. She would like an R.S.V.P. as to whether you will be attending the orientation to plan for materials and food, thank you!

VICTORIES FOR LIFE in the New York State Legislature

The 2018 NYS legislative session ended in June with no advancement on the abortion expansion bill. This bill would have legalized abortion in the third trimester and opened the door for non-physicians to perform abortions (both of which increase the risk of physical and psychological harm to women.) The effort to legalize physician-assisted suicide also did not advance. This means greater protection for people with disabilities and terminally ill people who might have been pressured to end their own lives. These are victories for the sanctity of human life! Thank you to all who advocated against these measures. We need to remain vigilant in the upcoming months as these bills will most likely be re-introduced.

Saint’s Place - Great Job Opportunity

Opportunities to Grow Spiritually

No gathering on Sept. 2nd, Labor Day Weekend. Join us Sept. 9th!

Explore faith topics over a cup of coffee with a great group of folks.

Sept 9th’s topic:
Sex Abuse and the Church

This talk is difficult for Fr. Mike to give, but sadly, it is also necessary. Since the Pennsylvania Report was released, practically every headline with the word “Catholic” in it has been about the report. Indignation is not the main message Fr. Mike wants to express here—although he feels that too. More than anything, he wants his viewers to know that now—more than ever—we need to live virtuous and holy lives and become the saints the Church needs.

When: Sunday, 10:00-10:50 (between the 9:00 and the 11:15 Masses)

Jeanne Leasure: Volunteer at St. Joseph’s Neighborhood Center

Jeanne Leasure, a parishioner of Saint Louis, has a long and interesting connection to this parish. Father Reddington, who was the pastor here from 1953 to 1983, was her uncle; she worked in the rectory as a teenager; and was married in this parish 36 years ago. But she also has an interesting story as to how she came to volunteer as a medical professional at Saint Joseph’s Neighborhood Center.

When Jeanne was 49 she felt called to train as a nurse, but after graduation and working in a traditional nursing environment, she said, “I didn’t feel like I was doing what I was meant to do as a nurse” and so she began to volunteer downtown with those who were unable to get the help they needed. Then, about four years ago, Jeanne began to volunteer in the Saint Joseph’s Neighborhood Center, caring for the poor, the homeless and the destitute. There she has found profound meaning and purpose. “It doesn’t take a saint to make a difference. It is simply our responsibility to help the poor, to get into their space and to really understand them.”

The center, located across the street from Saint Joseph’s House of Hospitality, is a place where people who have nowhere else to turn can receive medical, dental and mental health care as well as respectful advocacy. She says “We need all kinds of volunteers at the center, from doctors and medical personnel to receptionists and people who can help to clean. You can volunteer for as little or as much as you are able.” The Dorothy Day quote to the right has been a very important part of her journey and of her decision to give the gift of self, even when she does not see the end result of the giving.

The Center is located at 417 South Avenue, Rochester, 14620. Hours are Monday 9-5, Tuesday to Thursday 9-7, Friday 9-4. For more information on the Center please go to www.sjncenter.org or call (585) 325-5260.

Walk to save lives and bring hope to those affected by suicide

Sunday, Sept. 23
1:00-3:00pm
Genesee Valley Park

PLEASE CONSIDER SIGNING UP FOR THIS FAMILY FRIENDLY EVENT ON THE SAINT LOUIS WALKING TEAM FACEBOOK PAGE AND CLICKING TEAM LINK:
www.facebook.com/stlouischurchpittsford,
or by calling Cynthia Clarke at the ministry center (585-586-5675 ext. 234)

The route is about 2 miles, with some slight gradient crossing over the bridges. There is a turnaround point if someone is having difficulty. There will be food trucks, activities for kids and a wellness tent with free community resources as well as lots of love and support for anyone who needs it. As some of us are loss survivors ourselves, it can be a very emotional day.
